Hello Happiness Robert Holden,1999 Motivator and founder of the Happiness Project Robert Holden gives simple advice on how to brighten up your day With each page offering fresh encouragement or affirmation learn how to nurture a positive outlook on life and concentrate on achieving true happiness *Hello Happiness* K. Giles,2018-12-17 Recently I went through a phase of self exploration I decided to choose me I want to be genuinely happy I have decided that people places things titles and status will NOT define me I pray to God daily for contentment in my circumstances and situations I ask that He show me that it is okay to be myself to let go and to be free I pray that I have everlasting joy I just want to be enough I want for my life with me and my daughter to be enough I am learning to live in the present I can no longer worry about the things that I cannot change We spend too much time focusing on the things beyond our control We must be patient and take things day by day So I am sharing my journey my road to happiness with you Pouring all of me into self love confidence and happiness is the best decision I have ever made and done for myself At this age this moment in life my peace and sanity mean everything to me Nothing is more essential than having a healthy sense of self worth and self esteem and most importantly loving yourself completely I ask that each of you be happy with who you are Embrace everything about you flaws and all You are beautiful inside and out You are worthy You are enough If you ever feel the need to put you first DO IT And never let anyone make you feel bad about it You deserve to be happy You deserve to love you I am deciding to do what is best for me Self love is the best love that I have had the pleasure of experiencing once I said hello to happiness You yourself as much as anybody in the entire universe deserve your love and affection Buddha [The Quest for Happiness](#) Allan Davis,1917
