length discourses the Samyutta Nikaya of thematically connected discourses and the Anguttara Nikaya of numerically patterned discourses The present volume which continues Wisdom s famous Teachings of the Buddha series contains a full translation of the Anguttara Nikaya The Anguttara arranges the Buddha s discourses in accordance with a numerical scheme intended to promote retention and easy comprehension In an age when writing was still in its infancy this proved to be the most effective way to ensure that the disciples could grasp and replicate the structure of a teaching
