Hellfire Rebellion:

The Hellfire Rebellion Simon Hawke,2016-04-12 A demon straight from Hell For a moment they saw nothing Then they heard the rapid beat of iron shod hooves on cobblestones A black clad rider with a long billowing cloak came hurtling at them from the shadows He turned reining in sharply and the handsome jet black stallion reared up its forelegs pawing at the sky as the rider s screeching laughter filled the air He had no head Boston 1765 Sam Adams leads the Sons of Liberty as they agitate in favor of independence for the Thirteen Colonies But something has gone very wrong with history A terrifying ghostly entity is galloping the streets of Boston in the dead of night targeting rebels for assassination And if he or it cannot be stopped the Revolutionary War might never happen The Time Commandos from the 27th Century have to travel back into the past to find a phantom and the only man they have to guide them is an enemy soldier from a parallel timeline who might never get back home if he doesn t help the people he s at war with But if the headless horseman isn t stopped there may be no going home for anyone ever again

The Interpretation of The Meaning of The Holy Quran Volume 36 - Surah Maryam Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin Science Fiction and Fantasy Literature, 1975-1991 R. Dirck,2001 As Savior of the Union and the Great Emancipator Abraham Lincoln has been lauded for his courage wisdom and moral fiber Yet Frederick Douglass s assertion that Lincoln was the white man s president has been used by some detractors as proof of his fundamentally racist character Viewed objectively Lincoln was a white man s president by virtue of his own whiteness and that of the culture that produced him Until now however historians have rarely explored just what this means for our understanding of the man and his actions Writing at the vanguard of whiteness studies Brian Dirck considers Lincoln as a typical American white man of his time who bore the multiple assumptions prejudices and limitations of his own racial identity He shows us a Lincoln less willing or able to transcend those limitations than his more heroic persona might suggest but also contends that Lincoln s understanding and approach to racial bigotry was more enlightened than those of most of his white contemporaries Blazing a new trail in Lincoln studies Dirck reveals that Lincoln was well aware of and sympathetic to white fears especially that of descending into white trash a notion that gnawed at a man eager to distance himself from his own coarse origins But he also shows that after Lincoln crossed the Rubicon of black emancipation he continued to grow beyond such cultural constraints as seen in his seven recorded encounters with nonwhites Dirck probes more deeply into what white meant in Lincoln s time and what it meant to Lincoln himself and from this perspective he proposes a new understanding of how Lincoln viewed whiteness as a distinct racial category that influenced his policies As Dirck ably demonstrates Lincoln rose far enough above the confines of his culture to accomplish deeds still worthy of our admiration and he calls for a more critically informed admiration of Lincoln that allows us to celebrate his considerable accomplishments while simultaneously recognizing his limitations When Douglass observed that Lincoln was the white man s president he may not have intended it as a serious analytical category But as Dirck shows perhaps we should do so the better to understand not just the Lincoln presidency but the man himself
