Escaping the Darkness Cornell Bunting, 2021-06-17 Arising from the depths of darkness in a jail cell to discovering his purpose through adversity Cornell shows the way to never surrender embrace life's challenges and rise again **Escaping Darkness** Theresa McClinton, 2013-04-13 She may have spent years in an asylum but that didn't make her crazy just fearless Dropped in Moscow with her friends on an impossible mission against underworld forces Tara is left to her feelings of overwhelming inadequacy Her boyfriend is a healer her best friend is the Guardian and everyone else is a powerhouse of awesome strengths The only thing she has been able to contribute are her memories which has left her with nightmares of her time spent at the mercy of the evil Sarian who everyone has gone to fight Alone with her emotions Tara finds herself falling into a city of depravity and corruption And amidst all this evil is a young man with an agenda of his own who leads her down a road that will either prove she is a hero at heart or drag her into a world she's always feared He wants revenge she wants redemption And in an underground ring of missing girls and bloody sacrifices only the fearless can survive *The Stars and the Void* Deepika Chalke, 2019-03-19 Who are we Why are we here How do we heal our deepest wounds How do we survive our darkest days Where's magic How do we carry on when our dreams don't come true Can mystical insights cosmic perspectives and messages of hope and wisdom provide satisfying answers to some of the most profound life questions we all have and can they help us expand our consciousness open our hearts and feel magic The book *The Stars and The Void* is an attempt to answer these burning questions More than anything the book is a call for all dreamers believers seekers warriors healers wanderers stargazers to dream believe seek the truth heal wander wonder fly celebrate and connect with the cosmos We are all Stars in the Void called to burn bright and to form constellations galaxies universes and breathe wonders and magic this book hopes to be a reminder of the cosmic truths we all carry deep in our hearts Unveiling True God The Father of Christ Dr. Steven Christ, 2020-01-31 The purpose of this book is to bring truth as to who God The Father is and who we really are in Christ Knowing who you are allows you to take back your power and authority over the God of this world Yahweh God The Father of Christ and all creation is not the God of this world John 18:36 The Father gave man dominion over the earth Genesis 1:26-28 through man's sin power and authority was transferred to Satan Lucifer The Father cast Lucifer out of heaven down to the earth Isaiah 14:12-14 vowed to be worshipped as God the Most High the Father Lucifer deceives the whole world Revelation 12:9 into believing he is God The Father of Christ The world is looking for this deception to occur in the future In this book I prove biblically this deception has already occurred twenty five hundred years ago when Yahweh freed the Jews out of Egypt Yahweh declares he is the God of the Jews ever since the land of Egypt and there is no other savior but him Hosea 13:4 Before this who was Yahweh Our minds have been blinded by two thousand years of corrupt and false teachings that were set in place to maintain Yahweh's power and control over this world Jesus Christ came into this world to tell the Jews the god they're worshipping Yahweh is not God The Father The Jews killed Jesus to save the Jewish

nation John 11 50 53 as His message would have completely destroyed the nation this truth brought division within families The Jews with the help of Paul gathered the children of Christ grafting them into Yahweh s kingdom under the pretense that Yahweh is the Father of Christ knowing he is the fallen angel Lucifer The Father gave man markers to identify Lucifer and his fallen angels One marker they are chained in darkness Yahweh always appears to men in thick darkness Moses Solomon David and the prophets Yahweh Jehovah is the god and ruler of this world so the only way God The Father could help man was to be born into Yahweh s kingdom here on earth Yahweh demanded shedding of blood an innocent blood sacrifice for the forgiveness of sin Jesus followed all of Yahweh s laws and statutes perfectly He was sinless Jesus gave himself to be man s blood sacrifice to appease Yahweh s wrath upon man God the Father is perfect love He is displeased with blood sacrifice of any kind He told the Jews to stop but they continued making sacrifices to their God Yahweh Isaiah 66 3 Hosea 6 6 9 God the Father says killing of bulls and goats does not take away sin Hebrews 10 4 6 I prove through scripture that Yahweh is not the loving God The Father of Christ Yahweh does not have the Holy Spirit of the Father therefore he cannot create he cannot raise the dead and he cannot heal the sick Yahweh needs the Father s Holy Spirit that is in all men to maintain his world construct without it this world would collapse Yahweh keeps all men s souls in bondage and imprisoned here within the earth through sin and reincarnation our spirit is recycled over and over till the day of judgment Jesus came to teach us how to break free from Yahweh s matrix being brought into God The Father s kingdom of light in the third heaven Yahweh Jehovah is the God of this world his realm is the heavens directly above the earth and our planetary system God the Father and Christ dwells in the third heaven aka the pleroma where there is no time gravity or matter All things created emanate from the Father Who is perfect love He loves all His creation equally so He has no favorites no judgment or wrath towards His creation This world is worshipping Yahweh who comes from the Creator God the Father Yahweh is a jealous angry wrathful god that wants you to fear him God the Father is the father of all things created all things emanate from the Father so who can He be jealous of Nothing We are now living in the end times Yahweh is doing everything in his power to corrupt God The Father s creation using all men of power having one agenda to control the whole world through one world religion one world government and one world currency In this book I give you the tools needed to escape Yahweh s kingdom of condemnation death and destruction

Alfred John Evans,1922      **Ancient Mediterranean Religions** John C. Stephens,2016-06-22 This book offers a clear and concise historical overview of the major religious movements of the ancient Mediterranean world existing from the time of the second millennium BCE up until the fourth century CE including both the Judeo Christian and pagan religious traditions Recognizing the significant role of religious institutions in human history and acknowledging the diversity of religious ideas and practices in the ancient Mediterranean world religion is defined as a collection of myths beliefs rituals ethical practices social institutions and experiences related to the realm of the sacred cosmos Without focusing too much attention on

technicalities and complex vocabulary the book provides an introductory road map for exploring the vast array of religious data permeating the ancient Mediterranean world Through an examination of literary and archeological evidence the book summarizes the fundamental religious beliefs and practices of the ancient Near Eastern world including the religious traditions of ancient Mesopotamia Egypt and Israel Turning westward the fascinating world of ancient Greek and Roman religion is considered next The discussion begins with a description of Minoan Mycenaean religion followed by a consideration of classical Roman and Greek religion Next the numerous religious movements that blossomed during Hellenistic Roman times are discussed In addition the fundamental theological contributions of various Greco Roman philosophical schools of thought including Orphism Stoicism Pythagoreanism Platonism and Neo Platonism are described Greco Roman philosophy functioned as a quasi religious outlook for many and played a decisive role in the evolution of religion in the classical and Hellenistic period The theological speculations of the philosophers regarding the nature of God and the soul made a huge impact in religious circles during the classical and Hellenistic era Moving forward in history from archaic and classical times to the later Hellenistic Roman period the old religious order of the past falls by the wayside and a new updated religious paradigm begins to develop throughout the Mediterranean world with a greater emphasis being placed upon the religious individual and the expression of personal religious feelings There are several important social and historical reasons for this shift in perspective and these factors are explained in the chapter focusing upon personal religion in Hellenistic times Since the entire religious topography of the ancient Mediterranean world is rarely outlined in a single volume this book will be a welcome addition to anyone s library
