

"Fascinating
and fabulous"

—VANITY FAIR

A black and white photograph of two men in tuxedos dancing. One man is in the foreground, leaning back with his arms outstretched. The other man is behind him, also in a similar pose. They are both wearing white shirts, black bowties, and black jackets. The background is a plain, light color.

Gay Metropolis:

The Gay Metropolis Charles Kaiser, 1997 Beautifully written and meticulously researched this book traces the gestation of the modern gay movement back to World War II and covers the major social political and cultural events that have affected the way gay people view themselves and how they have been treated by the larger society *The Gay Metropolis* Charles Kaiser, 2007-12-01 Now featuring an updated introduction celebrating the 50th Anniversary of Stonewall The landmark portrait of 20th century New York viewed through the eyes of gay New Yorkers The New York Observer A New York Times Notable Book of the Year and winner of a Lambda Literary Award The Gay Metropolis is a landmark saga of struggle and triumph that was instantly recognized as the most authoritative and substantial work of its kind Now for the fiftieth anniversary of the Stonewall uprisings Charles Kaiser has brought this history into the twenty first century In this new edition he covers the three court cases that lead to the revolutionary legalization of gay marriage in America as well as shifts toward inclusion in mainstream pop culture with the Oscar winning films Brokeback Mountain and Call Me by Your Name Filled with astounding anecdotes and searing tales of heartbreak and transformation it provides a decade by decade account of the rise and acceptance of gay life and identity since the 1940s From the making of West Side Story to the catastrophic era of AIDS and with a dazzling cast of characters including Leonard Bernstein Montgomery Clift Alfred Hitchcock John F Kennedy and RuPaul this is a vital telling of American history *The Gay Metropolis* Charles Kaiser, 1999-02-01

Awakening Nathaniel Frank, 2017-04-24 Some of the most divisive contests shaping the quest for marriage equality occurred not on the culture war front lines but within the ranks of LGBTQ advocates Nathaniel Frank tells the dramatic story of how an idea that once seemed unfathomable and for many gays and lesbians undesirable became a legal and moral right in just half a century **Uncontained** Elizabeth A. Wheeler, 2001 In the post war era American urban fiction was dominated by the imagery of containment This book offers a critique of this familiar story evident in the noir narratives of James M Cain and in work by Ellison Roth Salinger Percy Capote and others **Unfinished Show Business** , In this fresh approach to musical theatre history Bruce Kirle challenges the commonly understood trajectory of the genre Drawing on the notion that the world of the author stays fixed while the world of the audience is ever changing Kirle suggests that musicals are open fluid products of the particular cultural moment in which they are performed Incomplete as printed texts and scores musicals take on unpredictable lives of their own in the complex transformation from page to stage Using lenses borrowed from performance studies cultural studies queer studies and ethnoracial studies *Unfinished Show Business* Broadway Musicals as Works in Process argues that musicals are as interesting for the provocative issues they raise about shifting attitudes toward American identity as for their show stopping song and dance numbers and conveniently happy endings Kirle illustrates how performers such as Ed Wynn Fanny Brice and the Marx Brothers used their charismatic personalities and quirkiness to provide insights into the struggle of marginalized ethnoracial groups to assimilate Using examples from favorites including

Oklahoma Fiddler on the Roof A Chorus Line and Les Mis rables Kirle demonstrates Broadway s ability to bridge seemingly insoluble tensions in society from economic and political anxiety surrounding World War II to generational conflict and youth counterculture to corporate America and the me generation Enlivened by a gallery of some of Broadway s most memorable moments and some amusing obscure ones as well this study will appeal to students scholars and lifelong musical theatre enthusiasts

Identities and Place Katherine Crawford-Lackey, Megan E. Springate, 2019-11-01 With a focus on historic sites this volume explores the recent history of non heteronormative Americans from the early twentieth century onward and the places associated with these communities Authors explore how queer identities are connected with specific places places where people gather socialize protest mourn and celebrate The focus is deeper look at how sexually variant and gender non conforming Americans constructed identity created communities and fought to have rights recognized by the government Each chapter is accompanied by prompts and activities that invite readers to think critically and immerse themselves in the subject matter while working collaboratively with others

The Advocate , 1997-11-11 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States

Contexts for Frank McGuinness's Drama Helen Lojek, 2004 Contexts for Frank McGuinness s Drama is the most complete consideration of the playwright yet published including discussion of his original stage work through Gates of Gold 2002 and highlighting the connections between McGuinness s creativity and the biographical geographical social and literary factors that have shaped his world

Fortnight , 1949 **Farewell to Prosperity** Lisle A. Rose, 2014-07-30 Farewell to Prosperity is a provocative in depth study of the Liberal and Conservative forces that fought each other to shape American political culture and character during the nation s most prosperous years The tome s central theme is the bitter struggle to fashion post World War II society between a historic Protestant Ethic that equated free market economics and money making with Godliness and a new secular Liberal temperament that emerged from the twin ordeals of depression and world war to stress social justice and security Liberal policies and programs after 1945 proved key to the creation of mass affluence while encouraging disadvantaged racial ethnic and social groups to seek equal access to power But liberalism proved a zero sum game to millions of others who felt their sense of place and self progressively unhinged Where it did not overturn traditional social relationships and assumptions liberalism threatened and in the late sixties and early seventies fostered new forces of expression at radical odds with the mindset and customs that had previously defined the nation without much question When the forces of liberalism overreached the Protestant Ethic and its millions of estranged religious and economic proponents staged a massive comeback under the aegis of Ronald Reagan and a revived Republican Party The financial hubris miscalculations and follies that followed ultimately created a conservative overreach from which the nation is still recovering Post World War II America was thus marked by what writer Salman Rushdie labeled in another context thin skinned years of rage defined identity politics This politics and its meaning form the core of the narrative Farewell to

Prosperity is no partisan screed enlisting recent history to support one side or another Although absurdity abounds it knows no home affecting Conservative and Liberal actors and thinkers alike *Dental Practitioner* ,1883 *The Mixer and Server* ,1923 **The Crayon Papers** Washington Irving,1886 *The American Hatter* ,1910 **The Works of Washington Irving: Crayon papers** Washington Irving,1884 *Diary of an Idle Woman in Spain* Frances Elliot,1884 **Hearst's International Combined with Cosmopolitan** ,1927 **The sketch book.
