War Crimes, Atrocity and Justice Michael J. Shapiro, 2014-12-08 What do we know about war crimes and justice What are the discursive practices through which the dominant images of war crimes atrocity and justice are understood In this wide ranging text Michael J Shapiro contrasts the justice related imagery of the war crimes trial for example the solitary headphone wearing defendant at the Hague listening with intent to a catalogue of charges with literary justice representations in literature film and biographical testimony raising questions about atrocities and justice that juridical proceedings exclude By engaging with the ambiguities exposed by the artistic and experiential genres reading them alongside policy and archival documentation and critical theoretical discourses Shapiro's *War Crimes Atrocity and Justice* challenges traditional notions of responsibility in juridical settings His comparative readings instead encourage a focus on the conditions of possibility for war crimes as they arise from the actions of states non state agencies and individuals involved in arms trading peace keeping sex trafficking and law enforcement and adjudication Theory springs

to life as Shapiro draws on examples from legal discourse literature media film and television to build a nuanced picture of politics and the problem of justice It will be of great interest to students of film and media literature cultural studies contemporary philosophy and political science

Conversations on Empathy Francesca Mezzenzana,Daniela Peluso,2023-01-16 In the aftermath of a global pandemic amidst new and ongoing wars genocide inequality and staggering ecological collapse some in the public and political arena have argued that we are in desperate need of greater empathy be this with our neighbours refugees war victims the vulnerable or disappearing animal and plant species This interdisciplinary volume asks the crucial questions How does a better understanding of empathy contribute if at all to our understanding of others How is it implicated in the ways we

perceive understand and constitute others as subjects Conversations on Empathy examines how empathy might be enacted and experienced either as a way to highlight forms of otherness or instead to overcome what might otherwise appear to be irreducible differences It explores the ways in which empathy enables us to understand imagine and create sameness and otherness in our everyday intersubjective encounters focusing on a varied range of radical others others who are perceived as being dramatically different from oneself With a focus on the importance of empathy to understand difference the book contends that the role of empathy is critical now more than ever for thinking about local and global challenges of interconnectedness care and justice

The Fat Pedagogy Reader Erin Cameron, Constance Russell, 2016-03-30 Over the past decade concerns about a global obesity epidemic have flourished Public health messages around physical activity fitness and nutrition permeate society despite significant evidence disputing the facts we have come to believe about obesity We live in a culture that privileges thinness and enables weight based oppression often expressed as fat phobia and fat bullying New interdisciplinary fields that problematize obesity have emerged including critical obesity studies critical weight studies and fat studies There also is a small but growing literature examining weight based oppression in educational settings in what has come to be called fat pedagogy The very first book of its kind *The Fat Pedagogy Reader* brings together an international interdisciplinary roster of respected authors who share heartfelt stories of oppression privilege resistance and action fascinating descriptions of empirical research confessional tales of pedagogical mis adventures and diverse accounts of educational interventions that show promise Taken together the authors illuminate both possibilities and pitfalls for fat pedagogy that will be of interest to scholars educators and social justice activists Concluding with a fat pedagogy manifesto the book lays a solid foundation for this important and exciting new field This book could be adopted in courses in fat studies critical weight studies bodies and embodiment fat pedagogy feminist pedagogy gender and education critical pedagogy social justice education and diversity in education
