## **Empire Of Silver:**

**Empire of Silver** Jin Xu, 2021 A thousand year history of how China's obsession with silver influenced the country's financial well being global standing and political stability A wonderful book for understanding one thousand years of Chinese monetary history Debin Ma Hitotsubashi University This revelatory account of the ways in which silver shaped Chinese history shows how an obsession with white metal held China back from financial modernization First used as currency during the Song dynasty in around 900 CE silver gradually became central to China's economic framework and was officially monetized in the middle of the Ming dynasty during the sixteenth century However due to the early adoption of paper money in China silver was not formed into coins but became a cumbersome weighing currency for which ingots had to be constantly examined for weight and purity an unwieldy practice that lasted for centuries Jin Xu argues that even as China's interest in silver spurred new avenues of trade and helped increase the country's global economic footprint in the long run silver played a key role in the struggles and entanglements that led to the decline of the Chinese empire

**Empire of Silver** Jin Xu (Economist), 2021 This revelatory account of the ways silver shaped Chinese history shows how an obsession with white metal held China back from financial modernization First used as currency during the Song dynasty in around 900 CE silver gradually became central to China's economic framework and was officially monetized in the middle of the Ming dynasty during the sixteenth century However due to the early adoption of paper money in China silver was not formed into coins but became a cumbersome weighing currency for which ingots had to be constantly examined for weight and purity an unwieldy practice that lasted for centuries While China's interest in silver spurred new avenues of trade and helped increase the country's global economic footprint Jin Xu argues that in the long run silver played a key role in the struggles and entanglements that led to the decline of the Chinese empire

*Empire of Silver*, 2012 The Empire of the Hittites William Wright, 1884 **Lippincott's Gazetteer of the World**, 1880 Japanese-American Trade Year Book, 1918 The Ancient Empires of the East Archibald Henry Sayce, 1884 *Leaves of Healing*, 1929 **The Presidency of William McKinley** Lewis L. Gould, 1980 In this interpretation of the McKinley presidency Lewis L. Gould contends that William McKinley was the first modern president Making use of extensive original research in manuscript collections in the United States Great Britain and France Gould argues that during McKinley's four and a half years in the White House the executive office began to resemble the institution as the twentieth century would know it He rejects the erroneous stereotypes that have long obscured McKinley's historical significance McKinley as the compliant agent of Mark Hanna or as an irresolute executive in the Cuban crisis that led to war with Spain He contends that McKinley is an important figure in the history of the United States because of the large contributions he made to the strengthening and broadening of the power of the chief executive While this volume touches on many aspects of McKinley's leadership the core of it relates to the coming of the Spanish American War the president's conduct of the war itself and the emergence of an American empire from 1898 to 1900 According to Gould the

Spanish American War was not the result presidential weakness or of cowardice before public hysteria McKinley sought to persuade Spain to relinquish Cuba peacefully turning to war only when it became apparent that Madrid would never acquiesce During the war McKinley effectively directed the American military effort and the diplomacy that brought territorial acquisitions and peace The process of making peace with Spain involving as it did American annexation of the Philippines and of securing the ratification of the resulting treaty in the Senate underscored McKinley s expansive view of presidential power He functioned as chief diplomat from the sending of senators on the peace commission to the personal supervision of the terms of the negotiation At home he made tours of the West and South in 1898 to lead popular opinion to his position as no president had done before him For the Senate he evidenced a readiness to dispense patronage woo votes with personal persuasion and marshal the resources of the political system behind his treaty Later episodes in McKinley s administration support Gould s thesis In administering Puerto Rico and Cuba and in suppressing an insurrection in the Philippines McKinley relied further on the war power and continued to shape affairs from the White House He sent troops to china during the Boxer Rebellion in 1900 without congressional authorization governed the new possessions through presidential commissions and allowed Capitol Hill only a subsidiary role in the process By 1901 the nation had an empire and a president whose manner and bearing anticipated the imperial executives of six decades later Gould does not argue that McKinley was a great president He maintains instead that what McKinley contributed to the office the examples he offered and the precedents he set make him an important figure in the emergence of the modern presidency in this century

The Top Books of the Year Empire Of Silver The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
