Empty Promises:

Empty Promises Pete Wilson, 2012-04-09 We all long for more of something in our lives In our endless pursuit to feel worth and acceptance we find ourselves sacrificing everything for the promise to be a little more beautiful a little richer a little more powerful and successful a little more loved How do we break free from these empty pursuits and start chasing the only Promise that will ever satisfy How do we uncover the hidden idols that are driving us and turn our devotion toward the one true God Join Pastor and best selling author Pete Wilson in discovering the joy and freedom that comes with seeking after God with your whole life Learn how to replace and not just relinquish life's empty promises by turning your focus and worship toward Him It is the only thing that will set you absolutely free from the endless pursuit of everything else

Ambrosio, 2012-02-01 Reading Dante's *Commedia* alongside Jacques Derrida's later religious writings Francis J. Ambrosio explores what these works reveal about religion as a fundamental dynamic of human existence about freedom and responsibility and about the significance of writing itself Ambrosio argues that both the many telling differences between them and the powerful bonds that unite them across centuries show that Dante and Derrida share an identity as religious writers that arises from the human experiences of faith hope and love in response to the divine mystery of being human For both Dante and Derrida Ambrosio contends scriptural religion reveals that the paradoxical tension of freedom and absolute responsibility must lead to the mystery of forgiveness a secret that these two share and faithfully keep by surrendering to its
