Empty Throne:

The Crowded Bed & the Empty Throne Eolles Eolles, 2025-11-24 The Crowded Bed The Empty Throne is a bold prophetic call to the modern woman who refuses to be rotated hidden or used as a placeholder in a man's life With piercing clarity and spiritual insight author Eolles dismantles the lies women have been sold about being chosen and reclaims the dignity of throne partnership over performative intimacy This book speaks to the woman who has been praised but never positioned desired but never devoted to visible but never valued Blending personal revelation cultural critique and spiritual authority The Crowded Bed The Empty Throne exposes the epidemic of emotionally disconnected men and the women trapped in cycles of seduction secrecy and suffering It teaches that access is not authority desire is not devotion and being different is not the same as being crowned More than a relationship book this is a royal reawakening for every woman ready to rise rule and refuse the counterfeit

Nicholas Love's Mirror and Late Medieval Devotio-Literary Culture David J. Falls, 2016-03-31 Surviving in 59 complete manuscript versions few English texts of the late medieval period seem to have achieved the popularity of Nicholas Love's fifteenth century translation and adaptation of the Latin *Meditationes Vitae Christi* The Mirror of the Blessed Life of Jesus Christ The Mirror has received surprisingly little scholarly attention and is often contextualized in terms of its role in the theological conflict between English ecclesiastical orthodoxy and the teachings of heresiarch John Wycliff David Falls presents a new account of the text's history which de-centralises but does not disregard the influence of the Wycliffite controversy Falls interrogates preconceptions and investigates new possibilities for understanding the composition circulation function and use of Love's Mirror by examining both the textual modifications and additions made by Love in his adaptation of the Latin and places these alterations in context by examining individual copies of the Mirror The manuscript copies are read as both sites of literary consumption and nexuses of textual transition demonstrating that it was Love's ability to inscribe his work with functional diversity which explains the Mirror's popularity This book presents a nuanced picture not only of the Mirror's production circulation and function but also the dynamic and flourishing devotio literary culture of late medieval England in which Love's text operated
