

TAPESCRIPTS TO TEST 1

PAPER 2 Listening

There are four parts to the test. You will hear each part twice. For each part of the test there will be time for you to look through the questions and time for you to check your answers.

Write your answers on the question paper. You will have six minutes at the end of the test to copy your answers onto the answer sheet.

Part 1

There are seven questions in this part. For each question, there are three pictures and a short recording. Choose the correct picture and put a tick in the box below it.

Before we start, here is an example:

What is first prize in the competition?

Radio announcer: This week's competition is to think of a name for our new radio programme for teenagers. It'll tell you more about it in a minute. There are prizes of course, so keep listening. The winner will receive a television. There's a second prize of a digital camera and the third prize is a mobile phone. So what do you have to do? You ...

The first picture is correct so there is a tick in box A.

Look at the three pictures for question 1 now:

Now we are ready to start. Listen carefully. You will hear each recording twice.

1 Which are Emily's cousins?

Boy: Hello Emily. What are you doing here?

Girl: I'm waiting for my cousins. They're staying with us for a couple of days. They're looking at clothes over there. I'm tired so I needed to sit down.

Boy: Those two girls with long dark hair and glasses?

Girl: Oh, no. My cousins are blonde and neither of them wears glasses. They're over there, look.

Now listen again.

2 What can Maria see from her window?

Boy: Maria has just moved to a new flat.

Girl: It's by the railway station isn't it?

Boy: Yes, but she's at the back of the block of flats so instead of looking out over the railway line, she's got a lovely view of the fields.

Girl: Better than her old flat then. All she could see was a brick wall there.

Now listen again.

3 What aren't the boys doing?

Mum: James, I've just washed your sports clothes but I can't see your shirt or your socks. Where are they?

James: My socks are inside my football boots. Here they are. But I don't know where the shirt is. I had a shower after football and it disappeared. I expect someone else has taken it by mistake.

Mum: Make sure you ask tomorrow then. Someone must have it.

Now listen again.

4 What does the woman buy?

Assistant: Can I help you?

Woman: Yes, please. I'm looking for a shirt like the one in the window. It's sleeveless and it's got a collar. I can't see it anywhere.

Assistant: Is it this one?

Woman: That's it. I like the buttons up the front. It's huge, that, please.

Now listen again.

5 What must the children bring?

Teacher: Now, listen carefully. I'm going to tell you what you should bring on the trip tomorrow. We're stopping at a cafe for lunch so nobody needs sandwiches but you should bring a bottle of water because it might be hot on the bus. And I have pens and pencils for everyone but you must bring your own notebook. Now we all need to meet here at about nine o'clock.

Now listen again.

6 What time will the woman meet her son?

Boy: Hi Mum, I'm going to be a bit late. I'm at the station but I've just missed the 11.15 train and I have to wait until the next one.

Mother: What time is that? Is there one at 11.45?

Boy: There should be. So I'll get back at 12.30. Can you wait for me up from the station?

Mother: OK. I'll be there. See you later.

Now listen again.

7 Which hotel did the man stay in?

Woman: So you had a great holiday then?

Man: Yes. I've got some photographs here. You can see our hotel in this one.

Woman: Oh, I like the fountain in front and the trees.

Man: No, sure was the one next door. It didn't have a fountain or any trees, but it had some tables outside where we had lunch every day.

Now listen again.

That is the end of Part 1.

Part 2

You will hear a man called Martin Carter talking on the radio about a trip he is going to make in a balloon.

For each question, put a tick in the correct box.

You now have 45 seconds to look at the questions for Part 2.

Now we are ready to start. Listen carefully. You will hear the recording twice.

Interviewer: Today I'm going to talk to Martin Carter who is going to make a rather special journey. Martin, tell us what you're going to do.

Martin: My plan is to fly around the world in a balloon. I made a similar trip last August but it wasn't successful so I'm going to try again in winter. The winds are best then and there are fewer thunderstorms in December and January. I'll probably leave in January. I don't know the exact date yet.

Interviewer: Are you using a similar balloon this time?
