A. Carson, 2009-05-26 A careful and informed assessment of the emerging church by a respected author and scholar The emerging church movement has generated a lot of excitement and exerts an astonishingly broad influence Is it the wave of the future or a passing fancy Who are the leaders and what are they saying The time has come for a mature assessment D A Carson not only gives those who may be unfamiliar with it a perceptive introduction to the emerging church movement but also includes a skillful assessment of its theological views Carson addresses some troubling weaknesses of the movement frankly and thoughtfully while at the same time recognizing that it has important things to say to the rest of Christianity The author strives to provide a perspective that is both honest and fair Anyone interested in the future of the church in a rapidly changing world will find this an informative and stimulating read D A Carson Ph D University of Cambridge is research professor of New Testament at Trinity Evangelical Divinity School in Deerfield Illinois He is the author of over 45 books including the Gold Medallion Award winning book *The Gagging of God* and is general editor of *Telling the Truth and Worship by the Book* He has served as a pastor and is an active guest lecturer in church and academic settings around the world **The Emerging Church** Dan Kimball, 2009-08-30 Includes Samples and photos of emerging church worship gatherings Recommended resources for the emerging church The seeker sensitive movement revolutionized the way we did church and introduced countless baby boomers to Jesus Yet trends show that today's post Christian generations are not responding like the generations before them As we enter a new cultural era what do worship services look like that are connecting with the hearts of emerging generations How do preaching leadership evangelism spiritual formation and most of all how we even think of church need to change The Emerging Church goes beyond just theory and gets into very practical ways of assisting you in your local church circumstances There is no one right way no model for us all to emulate But there is something better Dan Kimball calls it Vintage Christianity a refreshing return to an unapologetically

sacred raw historical and Jesus focused missional ministry Vintage Christianity connects with emerging post seeker generations who are very open spiritually but are not interested in church For pastors leaders and every concerned Christian Kimball offers a riveting and easy to grasp exploration of today s changing culture and gives insight into the new kind of churches that are emerging in its midst Included is running commentary by Rick Warren Brian McLaren Howard Hendricks and others

Toward a Twenty-First Century Biblical, Apostolic Church SuYeon Yoon, 2019-09-19 This book explores biblical values that critique the ecclesiology of the New Apostolic Reformation Church NARC and compares the ecclesiology to other missional movements in the North American context A biblical exegesis of Ephesians 4 11 13 as well as C Peter Wagner s conceptualization of an apostle and apostolic ministry allow the author to demonstrate the gap between the biblical perspective and Wagner s concept of an apostle The biblical role of an apostle is to make the church missional by emphasizing the concept of sending whereas Wagner sees the apostle as a church leader Based upon interviews and participant observation in three NARCs SuYeon Yoon describes the leadership and ecclesiology based on their own self descriptions This book then demonstrates the gap between the biblical and conceptual ideals and the reality of ecclesial practice The author argues that the NARC serves as a charismatic manifestation of a similar cultural response to establish a relational structure for church communities that can appropriately reflect upon and identify with the contemporary context This implies that each movement needs to be biblically sound faithful to its conceptualization and relevant to the context in order to cultivate its own way of being the church
