Flight Into Fear:

Flight Into Fear Devi Sharan, Srinjoy Chowdhury, 2000 The Captain's account brings to vivid life the horror of seven days inside the hijacked IC 814 on its way from Kathmandu to Delhi. Nearly 188 passengers and crew were pushed beyond the limits of normal human endurance and forced to confront situations they had never imagined: bloodshed, starvation, and the crippling uncertainty of living under the constant threat of death.

Flight Into Fear Duncan Kyle, 1979

Flight Irwin R. Franklyn, 1929 This is the story of a boy Lefty who ran backwards in life until he finally caused his college to lose the biggest football game of the season. Disgraced and dishonored, he left his friends and family with no definite purpose in mind as to his future. He joins the Marine Corps and enlists for aviation instruction, but after weeks of intensive training, he fails when given his big chance. Only through the friendship of a flight sergeant is he enabled to remain in the air service as a mechanic. At that time, the Sandino rebellion broke loose in Nicaragua, and he left with his squadron. He finally made good, winning back the respect of his friends, the officers, and the Marine Corps, and the girl he loved.

Vision of Theophilus: the Holy Family's flight into Egypt St. Cyril of Alexandria, 2022-12-01 The Vision of Theophilus is an apocryphal work that enjoyed great popularity in Late Antiquity and in the Middle Ages, wrongly attributed to the Patriarch Theophilus (385-412 CE). The original text, now lost, was composed in Coptic, but versions have survived in Syriac, Arabic, and Ethiopic. It details the legendary journey of the Holy Family's famous flight into Egypt, where they pass through various sites in the Egyptian landscape.

Theology as Hermeneutics John Painter, 2015-01-29 Rudolf Bultmann was the most significant New Testament scholar we have known in the twentieth century. This study approaches his work, arguing that his theology can only be understood correctly as an interpretation of the New Testament. Naturally, it is a twentieth-century interpretation involving complex hermeneutical questions. But it is the New Testament which provides the subject matter to be interpreted. Bultmann's theology stems from the conviction that the New Testament addresses the present age, offers important solutions to many problems for Christian theology in our materialistic, relativist, pluralistic age. The book introduces the reader to Bultmann's theology, the problem of contemporary New Testament hermeneutics, the problems of New Testament theology, the question of the relation of New Testament theology to theology as such. It makes a necessary critique of simplistic modes of interpreting Bultmann and shows a masterly hand in assessing his continuing significance.
