Elusive Prophet

Johannes Cornelis De Moor

Elusive Prophet:

The Elusive Prophet Johannes Cornelis Moor,2005 *Elusive Prophet* Steven J. Zipperstein,1993 A brilliant treatment of the major intellectual leader of Zionism The book is written in an uncommonly lucid even graceful style and investigates the history of modern Jewry with unprecedented depth and insight Arnold Band University of California Los Angeles I am very grateful for Steven Zipperstein s book about Ahad Ha am I have learned a great deal from its historical scholarship and intellectual lucidity Irving Howe author of World of Our Fathers Zipperstein already well known as the historian of the Jews of Odessa has now written a thoroughly erudite but deeply personal biography of one their greatest sons This first rate study of his life and work makes for absorbing reading with an all too contemporary relevance Joseph Frank Stanford University

The Elusive Prophet Johannes Cornelis De Moor,2001-01-01 Who were the prophets of Israel Historically spoken the prophets have become elusive personalities In this volume they are rediscovered as literary characters drawn by the gifted artists and theologians who shaped the prophetic books of the Old Testament Ahad Ha'am Elusive Prophet Steven J Zipperstein,2012-08-27 An incisive biography of the guiding intellectual presence and chief internal critic of Zionism during the movement s formative years between the 1880s and the 1920s Ahad Ha am One of the People was the pen name of Asher Ginzberg 1856 1927 a Russian Jew whose life intersected nearly every important trend and current in contemporary Jewry His influence extended to figures as varied as the scholar of mysticism Gershom Scholem the Hebrew poet Hayyim Nahman Bialik and the historian Simon Dubnow Theodor Herzl may have been the political leader of the Zionist movement but Ahad Ha am exerted a rare perhaps unequalled authority within Jewish culture through his writings Ahad Ha am was a Hebrew essayist of extraordinary knowledge and skill a public intellectual who spoke with refreshing and also according to many exasperating candour on every controversial issue of the day He was the first Zionist to call attention to the issue of Palestinian Arabs He was a critic of the use of aggression as a tool in advancing Jewish nationalism and a foe of clericalism in Jewish public life His analysis of the prehistory of Israeli political culture was incisive and prescient Steven J Zipperstein offers all those interested in contemporary Jewry in Zionism and in the ambiguities of modern nationalism a wide ranging perceptive reassessment of Ahad Ha am s life against the back drop of his contentious political world This influential figure comes to life in a penetrating and engaging examination of his relations with his father with Herzl and with his devotees and opponents alike Zipperstein explores the tensions of a man continually torn between sublimation and self revelation between detachment and deep commitment to his people between irony and lyricism between the inspiration of his study and the excitement of the streets As a Zionist intellectual Ahad Ha am rejected both xenophobia and assimilation seeking for the Jews a usable past and a plausible future The Performative Nature and Function of Isaiah 40-55 Jim W. Adams,2006-10-01 This dissertation presents the basic philosophical concepts of speech act theory in order to accurately implement them alongside other interpretive tools **Reflection and Refraction** Robert Rezetko,Timothy Henry Lim,W. Brian Aucker,2007 This

volume of thirty articles covering a wide range of subjects related to Old Testament study is written by colleagues friends and students of A Graeme Auld to honour the occasion of his sixty fifth birthday

Ezekiel, Law, and Judahite Identity Joel B. Kemp, 2020-08-04 La 4e de couverture indique In this study Joel B Kemp reveals that by focusing on legal imagery and juridical diction in Ezekiel 1 33 additional clarity for the meaning function and internal logic of several passages emerges He also shows that the authors of Ezekiel use legal elements to describe Judahite identity post Babylonian conquest

The Composition and Redaction of the Book of Amos Tchavdar S. Hadjiev, 2009-03-26 This Oxford dissertation offers a fresh redactional analysis of the Book of Amos It starts with a critical survey of existing approaches and an examination of the methodological issues involved and proceeds with a detailed exegetical analysis of the prophetic text which forms the basis for the redactional conclusions It steers a middle course between extreme conservative treatments which trace all the material back to the prophet Amos and more radical sceptical approaches which attribute most of the prophetic oracles to the work of later redactors The composition of the book began with two collections the Polemical scroll written not long after the end of Amos ministry and the Repentance scroll composed shortly before 722 BC The Repentance scroll was reworked in Judah towards the end of the 8th century BC and the two scrolls were combined to form a single work sometime during the 7th century BC The Book underwent only one redaction during the exilic period which sought to actualise its message in a new historical context The study pays special attention to the literary structure aim and probable historical circumstances of the various collections which gradually evolved into the present Book of Amos and seeks to show how the prophetic message lived on and spoke to the various communities which preserved and transmitted it

Typology and Iconography in Donne, Herbert, and Milton Reuben Sánchez, 2014-05-14 This book analyzes the iconographic traditions of Jeremiah and of melancholy to show how Donne Herbert and Milton each fashions himself after the icons presented in Rembrandt s Jeremiah Lamenting the Destruction of Jerusalem Sluter s sculpture of Jeremiah in the Well of Moses and Michelangelo s fresco of Jeremiah in the Sistine Chapel

At Home in Exile Alan Wolfe, 2014-10-28 An eloquent controversial argument that says for the first time in their long history Jews are free to live in a Jewish state or lead secure and productive lives outside it Since the beginnings of Zionism in the twentieth century many Jewish thinkers have considered it close to heresy to validate life in the Diaspora Jews in Europe and America faced a life of pointless struggle and futile suffering of ambivalence confusion and eternal impotence as one early Zionist philosopher wrote echoing a widespread and vehement disdain for Jews living outside Israel This thinking in a more understated but still pernicious form continues to the present the Holocaust tried to kill all of us many Jews believe and only statehood offers safety But what if the Diaspora is a blessing in disguise In *At Home in Exile* renowned scholar and public intellectual Alan Wolfe writing for the first time about his Jewish heritage makes an impassioned eloquent and controversial argument that Jews should take pride in their Diasporic tradition It is true that Jews have experienced more than their fair share of discrimination and destruction in exile and there can be no doubt that anti

Semitism persists throughout the world and often rears its ugly head Yet for the first time in history Wolfe shows it is possible for Jews to lead vibrant successful and above all else secure lives in states in which they are a minority Drawing on centuries of Jewish thinking and writing from Maimonides to Philip Roth David Ben Gurion to Hannah Arendt Wolfe makes a compelling case that life in the Diaspora can be good for the Jews no matter where they live Israel very much included as well as for the non Jews with whom they live Israel once again included Not only can the Diaspora offer Jews the opportunity to reach a deep appreciation of pluralism and a commitment to fighting prejudice but in an era of rising inequalities and global instability the whole world can benefit from Jews passion for justice and human dignity Wolfe moves beyond the usual polemical arguments and celebrates a universalistic Judaism that is desperately needed if Israel is to survive Turning our attention away from the Jewish state where half of world Jewry lives toward the pluralistic and vibrant places the other half have made their home *At Home in Exile* is an inspiring call for a Judaism that isn't defensive and insecure but is instead open and inquiring

Jeremiah the Prophet George A. Birmingham, 1956 [Official History of the Operations in Somaliland, 1901-04](#) Great Britain. War Office. General Staff, 1907 **Index to Jewish Periodicals**, 1994 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests **The Prophet's Paradise** Howard Hall, 1904 *Russian History*, 1995 **The New Things** Ferenc Postma, Klaas Spronk, Henk Leene, Eep Talstra, 2002 **The Expository Times** James Hastings, Ann Wilson Hastings, Edward Hastings, 1915 [Elenchus of Biblica](#), 2005 **Secrecy and the Gods** Alan Lenzi, 2008 *Secrecy and the Gods* is a comparative mythological study of the human reception and treatment of divine secret knowledge in ancient Mesopotamia and biblical Israel The human royal council was the social model for ancient ideas about divine knowledge being secret just as human kings had secrets so too did the gods Diviners who received this knowledge from the gods in an on going ad hoc manner were an essential link between the divine assembly and the human royal council for whom such knowledge was intended Scribes eventually adapted the ad hoc divinatory means of receiving divine communications to their culturally significant texts By discursively asserting a historical connection between themselves and unique mediators with a close divine affiliation the apkallus and Moses the scribes constructed myths that legitimated their texts as divine revelation and claimed these were received in history through normal scribal channels In this manner scribes fixed the secret of the gods permanently among humans in textualized form that valorized their own position within society Although the origin of divine secret knowledge was rooted in a common mythological idea of the divine assembly its treatment was quite distinct The Mesopotamians guarded divine secret knowledge through various scribal means including the attachment of a Geheimwissen colophon to certain tablets treated exhaustively whereas biblical Israel published it openly The contrast in treatment of divine secret knowledge was directly related to different mytho political self understandings Mesopotamia's imperial aspirations versus biblical Israel's vassalhood As vassals to Yahweh the divine imperial king the kings of Judah and Israel as presented in the biblical material were not to

formulate secret orders they were only to obey them
Birnbaum Jess Olson, 2006

Nation, Peoplehood and Religion in the Life and Thought of Nathan

Elusive Prophet: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthraling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Elusive Prophet : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
