Hoch, 1992

Mystery writer Edward Hoch's career has spanned three and a half decades and produced nearly seven hundred stories. His series characters there are two dozen of them including Simon Ark an occult detective who claims to be two millennia old Ben Snow a Western drifter and possible reincarnation of Billy the Kid Nick Velvet professional thief who specializes in stealing items of no value Libby Knowles ex cop turned private bodyguard and Dr Sam Hawthorne small town New England physician and amateur sleuth are familiar to mystery readers everywhere. This new collection brings together some of the best of Hoch's more than two hundred non series stories. The cast of characters includes Johnny Nocturne creator of mood music for the night people Emerson a U S government hit man operating in the jungle of post World War II Europe and Harry Gordon whose wife has an unsettling habit of coming back from the dead. As editor Francis M Nevins Jr states in his introduction In *The Night My Friend* you will find a boxing story a juvenile delinquency story a prep school reunion story more than one tale about the aftermath of World War II a fable about a wandering minstrel and his harmonica and several thrillers with a noir ambience reminiscent of one of the classic TV series of the years when these tales were written. *The Fugitive* You will find unusually vivid and visual writing off trail settings complex characterizations emotions that run deep in short a side of Ed Hoch's literary personality that has escaped most readers attention.

**The Art of Floating** Kristin Bair O'Keeffe, 2014-04-01 At a time when nothing seems real it takes something truly unusual to put your life into focus. When her beloved husband Jackson disappeared without a trace popular novelist Sia Dane stopped writing closed down her house stuffed her heart into a cage and started floating. It wasn't the normal response to heartache but Sia rarely did things the normal way. Exactly one year one month and six days after Jackson's disappearance Sia discovers a mysterious man on the beach. He's mute unresponsive and looks as if he has just walked out of the sea. It's the sort of situation Jackson would have solved with a simple call to the police. But Jackson is gone. As unreal as he seems Sia is determined to help this man. Perhaps she can return him to his place in the world to whoever lost him and loves him. Perhaps she can answer their questions the way no one could answer hers. But as her friends and family help her winnow her way to the truth Sia comes to realize that the unfathomable leap between sorrow and healing begins with a single step.
