

Prayers For The Fruit Of The Womb

Prayer For Strength And Faith

Dear Lord,

We ask for strength and grace. We ask that you help us wait on you. Let us not do anything rash in our wish for a baby. Let us wait on you and be patient for your miracle. Strengthen our faith in you no matter what. Let us not be put off by what we see. Let us not be discouraged by what we hear. Let us always strive for your words of encouragement. Let us know that just because its dark now doesn't mean it won't be light in the morning. Let our mornings come with miracles. Let us hear good news every day and help us restore all that we have lost in Jesus' name

Amen

The Blessed Virgin in the Fathers of the First Six Centuries Thomas Livius, 1893 [The Life of the Virgin](#), 2012-05-29 Long overlooked by scholars this seventh century Life of the Virgin attributed to Maximus the Confessor is the earliest complete Marian biography Originally written in Greek and now surviving only in Old Georgian it is now translated for the first time into English It is a work that holds profound significance for understanding the history of late ancient and medieval Christianity providing a rich source for understanding the history of Christian piety This Life is especially remarkable for its representation of Mary s prominent involvement in her son s ministry and her leadership of the early Christian community In particular it reveals highly developed devotion to Mary s compassionate suffering at the Crucifixion anticipating by several centuries an influential medieval style of devotion known as affective piety whose origins generally have been confined to the Western High Middle Ages
