Fusion Of Time:

PVC Technology M.V. Titow, 1984-09-30 This book continues the tradition of the first two editions of the late W S Penn s original PVC Technology and the extensively revised third 1971 edition prepared by myself and B J Lanham In the present edition the original general format and the arrangement of chapters have been largely preserved but virtually nothing now remains of Penn s own text a part of the contents is based on material from the 1971 TitowLanham version revised updated and mainly rewritten the rest is new including inter alia several chapters specially contributed by experts from the plastics industry in the UK and Europe The section listing international ISO and national BS ASTM and DIN standards relevant to PVC which was first introduced as Appendix 1 in the 1971 edition proved a popular feature it has now been brought up to date and considerably extended Two further appendices provide respectively comprehensive unit conversion tables with additional information on some of the most frequently encountered units and the SI units and a list of many properties of interest in PVC materials with definitions typical numerical values and references to relevant standard test methods For various reasons work on this edition involved more than the usual quota of problems I am truly grateful to the Publisher s Managing Editor Mr G B Olley for his understanding patience unfailing courtesy and friendly encouragement KI 2004:
