

CHAPTER ONE

FUNDAMENTALS OF MANAGEMENT

1.1. MEANING AND DEFINITION OF MANAGEMENT

Meaning:

The word "Management" has various meanings. The most important ones include the following:

- i. Management refers to a group of people who are responsible for guiding and controlling the organization (Managerial personnel).
- ii. Management is the process of running an organization (planning, organization, staffing, directing, and controlling).
- iii. Management is a body of knowledge, a discipline
- iv. Management is a factor of production, economic resource as land, labor and capital

Definitions of Management

Management is defined by different authorities in different ways. The following are some of the common definitions given by different authorities in the field.

- i. Management is the art of getting things done through and with people in a formally organized group.
- ii. Management is the art of knowing what you want to do in the best and cheapest way.
- iii. Management is the art of securing maximum results with a minimum of efforts so as to secure maximum prosperity and happiness for both the employer and employee, and give the public the best possible service.
- iv. Management is the process of planning, organizing, staffing, directing and controlling the use of firms' resources to effectively and efficiently attain its objectives.

Why do the definitions of management differ?

Authorities agree that it is impossible to provide a single universally accepted definition of management due to various reasons. Thus, the different orientations about the definition of management emanate from the following reasons.
