Future Of Germany:

Germany and the Future of European Security C. Bluth,2000-08-17 Germany and the Future of European Security examines the impact of unification on German foreign and security policy providing the first comprehensive analysis of how the unified Germany has adapted to the post Cold War security environment The book considers the development of Germany's understanding of the European security environment Germany's national interests its role in Europe and the international system and the policy instruments at its disposal This provides a context for testing various views about the future of European security more generally [The Future of Social Policy in Germany](#) Ludwig Bernhard, Bernhard, Ludwig,1912

Germany's future electors Nora E. Sánchez Gassen,2014-08-20 Nora E Sánchez Gassen analyses how demographic trends and electoral law have influenced the German electorate in the past and projects their future impact A set of population projections illustrates how the size and age structure of the electorate will change until 2030 due to ongoing demographic changes Additional analyses reveal how reforms of electoral law and citizenship law could be used to influence these trends Overall the author combines demographic methods with democratic theory in order to investigate a topic that has so far received little attention in discussions on demographic change the future of the democratic system **Facing the**
