The stories span more than a hundred years of crime fiction writing and feature a wide variety of heroes, heroines, villains, settings, story types, and stylistic approaches. The selection demonstrates how the mystery story has evolved over a century and how authors have kept it fresh through their ingenuity and thematic variations. The stories also reflect the times in which they were written so that they can be enjoyed from a historical perspective as well as pure entertainment. Ed McBain's *The Storm* is a great way to start.

Runaway Ed McBain, 2016-10-25 A young black man is framed by the police for a murder he didn't commit in this gritty New York crime story from the author of the 87th Precinct series. Johnny Lane is outside the Apollo when he sees Luis and rage floods his veins. Every tough in Harlem knows that Luis tried to rape Johnny's girl and that means he has to die. Johnny comes out swinging, but Luis is wearing brass knuckles and he almost kills Johnny before the fight gets broken up. A few weeks later, as a brutal winter settles over New York, Johnny is walking down the street when he hears the gunfire. Luis has been shot dead. Johnny runs without thinking because it's bad news for a black man to get caught near a corpse, but the cops catch up with him anyway. He didn't shoot Luis, but he had a motive and that's good enough for the New York Police Department. Cornered alone and helpless, Johnny has no choice but to find the real killer or spend the rest of his life on the run from the cops, his friends, and his girl. A hardboiled story of a friendless man hunted by the police. *Runaway* is vintage Ed McBain. It's a story of life on the margins of a merciless city from an author who knew the dark side of New York better than anyone.
