Gilman,1978-06-01 *The Long Road Home* Adrian Vincent,1974 **Occupying Habits** Daniel Mann,2022-02-24 How did the Israeli military learn to cope with the ubiquity of media technologies that routinely document their power abuses Why did they re appropriate these to tighten their grip on Palestinian civilians This book explains why a high tech nation with advanced military technologies came to rely on the everyday media habits performed by soldiers and civilians Daniel Mann argues that the intensification of the security regime in Palestine and the increasingly personal use of media technologies by both soldiers and civilians are deeply entangled The book traces how beginning in the 1990s the integration of media into the lives of civilians and Israeli soldiers enabled Israel to transfer responsibilities to individual users who in turn became legally and ethically liable for state abuses of power Drawing on declassified documents found footage and social media Mann shows how both media and warfare have been remodelled around the figure of the defensive isolated and insular individual Mann suggests that the focus on representations and their close visual analysis paradoxically hinders

our ability to understand media Instead of zooming into fine details we must step back to reveal the assemblage of images users and infrastructure that together serve to maintain the racial legal and aesthetic divide between Israel and Palestine
