## **Edge Of Memories:**

**Other Side of the Edge** Sumina Sharma,2022-01-18 A fictional story of Northwestern Himalayas Small villages A girl her upbringing and culture with a combination of ancient and a bit of modernity Along with tossing and turning experiences Stories composed Around the Corner of Saroi A place where life is imagined as another world exactly just at the end corner of the universe A mixed memoir of personal and paternal life experiences Description of cherished moments encountered in a joint family house called Chowki House While everyone is sitting on the patio in the deep dark snowy and wintery nights having endless gossiping sessions in the open close to a bonfire called angheetha in the local dialect and brazier in today s world Though this narrative is totally fictional the gist is inspired through the experiences of our forefathers and the narration of a particular community of that age that undoubtedly existed around that time Highlighted the myths and misbeliefs that had prevailed over the period carried on from generation to generation Despite some of them being proved as having scientific notions behind them While some had been in practice to keep family and community on the right track into closely knitted societal bonds Otherwise they have no meaning However Other side of the Edge is not just about the pain and pleasure our forefathers generations experienced in the olden days It s about the precious human values shared as a part of society that refused to be ignored Where family gathering was the one and only source of entertainment for extended families To discuss share their past and present experiences and stand up together to prepare the best for the future of those they care about and want to have around them Where bonding with relatives was meant to show respect without being self centred rather than a gesture of formality From my writing I attempted to pen down those glimpses heard through the mouth of forefathers and some of them sighted in childhood Yet perhaps there might be times I would not have understood precisely what the message meant during those tender years of childhood
