Who Was Anne Frank? Ann Abramson,Who HQ,2007-01-18 In her amazing diary Anne Frank revealed the challenges and dreams common for any young girl But Hitler brought her childhood to an end and forced her and her family into hiding Who Was Anne Frank looks closely at Anne s life before the secret annex what life was like in hiding and the legacy of her diary Black and white illustrations including maps and diagrams provide historical and visual reference in an easy to read biography written in a way that is appropriate and accessible for younger readers Anne Frank's Diary--a Hoax Ditlieb Felderer,1979 Anne Frank LP Francine Prose,2009-09-29 In June 1942 Anne Frank received a red and white checked diary for her thirteenth birthday just weeks before she and her family went into hiding from the Nazis in an Amsterdam attic For two years with ever increasing maturity Anne crafted a memoir that has become one of the most compelling intimate and important documents of modern history She described life in hiding in vivid unforgettable detail explored apparently irreconcilable views of human nature people are good at heart but capable of unimaginable evil and grappled with the unfolding events of World War II until the hidden attic was raided in August 1944 But the diary of Anne Frank argues Francine Prose is as much a work of art as an historical record Through close reading she marvels at the teenaged Frank s skillfully natural narrative voice at her finely tuned dialogue and ability to turn living people into characters And Prose addresses what few of the diary s millions of readers may know this book is a deliberate work of art During her last months in

hiding Anne Frank furiously revised and edited her work crafting a piece of literature that she hoped would be read by the public after the war Read it has been Few books have been as influential for so long and Prose thoroughly investigates the diary s unique afterlife the obstacles and criticism Otto Frank faced in publishing his daughter s words the controversy surrounding the diary s Broadway and film adaptations and the 1950 s social mores that reduced it to a tale of adolescent angst and love the claims of conspiracy theorists who have cried fraud and the scientific analysis that proved them wrong Finally having assigned the book to her own students Prose considers the rewards and challenges of teaching one of the world s most read and banned books How has the life and death of one girl become emblematic of the lives and deaths of so many and why do her words continue to inspire ANNE FRANK THE BOOK THE LIFE THE AFTERLIFE tells the extraordinary story of the book that became a force in the world and it definitively establishes Anne Frank as the writer she always knew she was *The Diary of Anne Frank* Frances Goodrich,1956 *Anne Frank* Anne Frank,1962 *Lost Diary of Anne Frank* Johnny Teague,2022-09-06 The Diary of Anne Frank is a seminal piece of twentieth century literature It recounts the tragic and moving story of a young Jewish teenager faced with the horrors of Nazism In it Anne establishes a bond with her readers that transcends both time and space making them her friends and confidants Readers feel a connection with each dream she had each fear she endured and each struggle she confronted Her diary ended but her story did not The Lost Diary of Anne Frank picks up where her original journal left off taking the reader on a credible journey through the tragic final months of her life faithfully adhering to her own very personal diary format in the process In The Lost Diary of Anne Frank Anne receives mysterious help from many quarters A strange lady on the other side of the fence haunts her dreams Her mom once vilified becomes a hero Anne struggles with the existence of God and His presence or absence in all of her ordeals She contrasts the depravity of man with what she sees as mankind s evident virtues Her longing to experience sensual pleasures is numbed by forced over exposure She finds that in the Nazi efforts to extinguish the humanity of their victims a chorus of unity evolves among the captives Anne s vaulted dreams for fame and notice are ultimately traded in for the true longings of life love and peace The Lost Diary of Anne Frank follows her story to the chilling end Dr Johnny Teague is an author and historian having earned five degrees culminating with a doctorate in exposition from Southwestern Baptist Theological Seminary In preparation for writing this book he interviewed many Holocaust survivors and studied at the Holocaust museums in Houston Washington D C and Yad Vashem in Israel His studies have taken him to numerous historical sites including Auschwitz Dachau the Corrie ten Boom House and the Anne Frank House **Anne Frank** Melissa Müller,Miep Gies,1999-09-15 An invaluable complement to an immortal testimony Kirkus Reviews The first biography of the girl whose fate has touched the lives of millions For people all over the world Anne Frank the vivacious intelligent Jewish girl with a crooked smile and huge dark eyes has become the human face of the Holocaust Her diary of twenty five months in hiding a precious record of her struggle to keep hope alive through the darkest days of this century has touched the hearts of millions
