

# The Globalization of Nothing

*George Ritzer*

*Globalization is not a singular process with uniform results, but a term that encompasses a number of transnational processes. This essay distinguishes between two broad sub-processes under the larger heading of globalization—glocalization (the integration of the global and the local) and globalization (the imposition of the global on the local). It also explores the distinction between nothing (forms that are centrally conceived and controlled and largely lacking in distinctive content) and something (forms that are indigenously conceived and controlled and comparatively rich in distinctive content). The article focuses on two pairings that result from relating these sets of concepts—the globalization of nothing and the glocalization of something. In the realm of culture in general and consumption in particular, the conflict between these two processes is a central issue in the world today. The triumph of the globalization of nothing promises cultural homogeneity, while the glocalization of something offers at least some hope for cultural heterogeneity in a world in which the truly local has almost entirely disappeared.*

While social theorists have long been interested in globalization, there has been an explosion of work on the topic in recent years.<sup>1</sup> The flowering of such theories is a reflection of the fact that globalization is of great concern to, and enormous significance for, much of the world's population. Globalization is transforming virtually every nation and the lives of billions of people.<sup>2</sup> The degree and significance of its impact is visible everywhere one looks, in the shopping malls that increasingly dot many areas of the developed world, the vast array of franchises found in them,

George Ritzer is Distinguished University Professor at the University of Maryland where he has also been a Distinguished Scholar-Teacher and won a Teaching Excellence Award. He was awarded the 2000 Distinguished Contributions to Teaching Award by the American Sociological Association. In addition to *The McDonaldization of Society* (1993, 1996, 2000; translated into a dozen languages), he is the author of more than twenty books, including *Expressing America: A Critique of the Global Credit Card Society* (1995), *Enchanting a Disenchanted World: Revolutionizing the Means of Consumption* (1999), and *The Globalization of Nothing* (forthcoming). He is also a founding editor (with Don Slater) of the *Journal of Consumer Culture*. Among his forthcoming works are the *Handbook of International Social Problems* and the two-volume *Encyclopedia of Social Theory*.

# Globalization Of Nothing

**Leo P. Chall**

## **Globalization Of Nothing:**

*The Globalization of Nothing 2* George Ritzer, 2007-01-18 The Globalization of Nothing is back in a revised and completely updated Second Edition In this reconceptualized volume author George Ritzer focuses his attention squarely on the processes of globalization and how they relate to McDonaldization This revision is shorter more concise and spends much less space on the Nothing Something continuum that he introduced in the First Edition

*The Globalization of Nothing* George Ritzer, 2003-07-17 George Ritzer theorizes in his provocative new book The Globalization of Nothing that the grand narrative or social story of this period is a movement from something to nothing Building on but going beyond his renowned McDonaldization thesis Ritzer contends that societies around the globe continue to move away from something defined as a social form that is generally indigenously conceived locally controlled and rich in distinctive content He argues that we are moving toward nothing that which is centrally controlled and conceived and relatively devoid of distinctive substance It is in the movement toward the globalization of nothing that something is lost More than likely that something is an indigenous custom a local store a familiar gathering place or simply personalized interaction Thus the central problem in the world today is defined as loss amidst monumental abundance of nothing The Globalization of Nothing takes the subject of globalization in new directions introducing terms such as grobalization the growing influence of for example American corporations throughout the world This book is structured around four sets of concepts addressing this issue places non places things non things people non people and services non services By drawing upon salient examples from everyday life George Ritzer invites the reader to examine the nuances of these concepts in conjunction with the paradoxes within the process of the globalization of nothing The Globalization of Nothing is ideal as a primary or supplemental text for courses in sociology anthropology communication business and related disciplines This book is also recommended for anyone interested in the critical study of contemporary social phenomena

*The Consumption and Representation of Lifestyle Sports* Belinda Wheaton, 2014-06-11 Since their emergence in the 1960s lifestyle sports also referred to as action sport extreme sports adventure sports have experienced unprecedented growth both in terms of participation and in their increased visibility across public and private space book seeks to explore the changing representation and consumption of lifestyle sport in the twenty first century The essays which cover a range of sports and geographical contexts including Brazil Europe North America and Australasia focus on three themes First essays scrutinise aspects of the commercialisation process and impact of the media reviewing and reconsidering theoretical frameworks to understand these processes The scholars here emphasise the need to move beyond simplistic understandings of commercialisation as co option and resistance to capture the complexity and messiness of the process and of the relationships between the cultural industries participants and consumers The second theme examines gender identity and representations exploring the potential of lifestyle sport to be a politically transformative space in relation to gender sexuality and race The last theme explores new theoretical directions in

research on lifestyle sport including insights from philosophy sociology and cultural geography The themes the monograph addresses are wide reaching and centrally concerned with the changing meaning of sport and sporting identity in the twenty first century This book was previously published as a Special Issue of Sport in Society **SAIS Review** ,2003 **Modern Sociological Theory** George Ritzer,2007-06-27 Gives you a comprehensive overview of the major contemporary schools of sociological thought This work integrates key theories with biographical sketches of theorists and theories are placed in their historical and intellectual context It helps students to better understand the original works and appreciate the diversity of contemporary theory Contemporary Sociological Theory and Its Classical Roots: The Basics George Ritzer,2006-03-03 This text is the teaching solution for instructors who need a brief accessible text for sociological theory An affordable alternative to a standard text this volume still includes a range of pedagogical features it is concise yet comprehensive informative and engaging for a wide range of students Doing Global History Roland Wenzlhuemer,2019-10-31 The field of Global History has experienced an unprecedented boom in the last two decades and carved itself deeply into the practice of historical research Despite this its conceptual foundations have rarely been explored This introduction to what Global History is brings together theory and practice with 6 key concepts delivered through 6 accessible case studies Re evaluating the central concerns and key approaches in the field it offers an up to date discussion of the foundations of Global History its guiding questions and principal methods at work Doing Global History offers students valuable insights into the ways general concepts can be used and applied when doing historical research The 6 concepts connections actors structures space time and transit and their accompanying examples will not only help readers to get a solid grasp of what global history means but will stimulate further engagement in the field Wenzlhuemer successfully shows that global history is best considered as a perspective not a theory or paradigm and guides the reader through ways it can be used in practice to draw new and exciting conclusions Tailored for classroom and student use this book will be invaluable to advanced undergraduates and postgraduates of Global History Diasporic Ruptures Alireza Asgharzadeh, Erica Lawson, Keyleen U. Oka, Amar Wahab,2007 Diasporic Ruptures Globality Migrancy and Expressions of Identity lies at the intersections of various processes emerging from globalization border crossings transnationalism identity formations Carefully selected and placed in two volumes the essays here represent works of both well seasoned scholars as well as emerging writers academics and intellectuals The volumes critically examine various manifestations of the trend now commonly known as globalization manifestations that many diasporic communities immigrants and people from all walks of life experience They also illuminate recent political social economic and technological developments that are taking place in a rapidly changing world Volume One offers sophisticated insights into the nature of contemporary formations of diasporic life internationalism and hybrid identities The volume asks bold questions around what it means to live in constantly shifting boundaries of nationality identity and citizenship The type of methodological discursive and experiential awareness promoted by this work helps us

understand how millions of people face the challenge of living in a globalizing world it also fosters a consciousness of how globalization itself functions differently in different environments Volume Two see Volume 7 in *Transgressions Cultural Studies and Education* addresses additional and more nuanced questions around culture race sexuality migration displacement and resistance It also explores certain epistemological and methodological fallacies regarding conventional articulations of nation state nationalism and the local global nexus The volume seeks to answer questions such as What are the meanings and connotations of displacement in a rapidly globalizing world What are some dilemmas and challenges around notions of cultural hybridity linguistic diversity and a sense of belonging What is the meaning of home in diaspora and the meaning of diaspora at home Together the volumes raise many topics that will be of immense interest to scholars across disciplines and general readers While celebrating the increasing acknowledgment of difference and diversity in recent times this work reminds us of the ongoing ramifications of dominant structures of inequality relations of power and issues of inclusion and exclusion This work offers different ways of thinking writing and talking about globalization and the processes that emerge from it

**Unmodern Architecture** Hans Ibelings, 2004 In the Netherlands for decades a bastion of modernism neomodernism and supermodernism a contemporary traditionalism has been causing a stir since the 1990s Traditionalists draw from the past and prefer means that have already proved their worth Contemporary traditionalism stripped of all populist and moralistic arguments for and against is analysed from different angles including an international and historical perspective

**Psychology and Education**, 2002

*International Relations Theory* Cynthia Weber, 2004-08-02 The new edition of this innovative textbook introduces students to the main theories in international relations It explains and analyzes each theory allowing students to understand and critically engage with the myths and assumptions behind them Each theory is illustrated using the example of a popular film Key features of this textbook include discussion of all the main theories realism and neo realism idealism and neo idealism liberalism constructivism postmodernism gender and globalization two new chapters on the clash of civilizations and Hardt and Negri's Empire innovative use of narratives from films that students will be familiar with *Lord of the Flies* *Independence Day* *Wag the Dog* *Fatal Attraction* *The Truman Show* *East is East* and *Memento* an accessible and exciting writing style which is well illustrated with film stills boxed key concepts and guides to further reading This breakthrough textbook has been designed to unravel the complexities of international relations theory in a way that gives students a clearer idea of how the theories work and of the myths associated with them

**Deciphering the City** William A. Schwab, 2020-10-07 Well written and extremely topical *Deciphering the City* efficiently deals with the large and small issues facing cities today A focus on globalization's impact on the role of cities an explicit mission to drive home the applied nature of urban studies to students This innovative text offers an exciting introduction to the history issues problems potential solutions and challenges facing cities in the developed and the developing world for the twenty first century Globalization has changed the roles of cities in the global economy and this

text begins with an introduction to the phenomenon of globalization and how the changes it has brought about have affected the social political and economic institutions of societies The second section of the text concentrates on the psychology of the city and the community building process while the book s third section illustrates the structure of cities and their historical and emerging patterns Deciphering the City makes studying the city a relevant and interesting subject necessary in understanding the functioning of today s world

**Sociological Abstracts** Leo P. Chall,2004 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

Social Action ,2005 *The Global Age* Martin Albrow,2013-06-28 Many authors who discuss the idea of globalization see it as continuing pre established paths of development of modern societies Post modernist writers by contrast have lost sight of the importance of historical narrative altogether Martin Albrow argues that neither group is able to recognize the new era which stares us in the face A history of the present needs an explicit epochal theory to understand the transition to the Global Age When globality displaces modernity there is a general decentering of state government economy culture and community Albrow calls for a recasting of the theory of such institutions and the relations between them He finds an open potential for society to recover its abiding significance in the face of the declining nation state At the same time a new kind of citizenship is emerging This important book will provoke both radicals and conservatives Its scholarship ranges widely across the social sciences and humanities It is bound to promote wide cross disciplinary debate

Contesting the Frontiers Ullamaija Kivikuru,2001 Gennem indledende refleksioner omkring medier kultur og etnicitet efterfulgt af case studier analyseres og identificeres nogle af de vilk r hvorp borgere i Danmark Norge og Sverige forhandler skaber og konstituerer deres historie deres socialorden og deres kulturelle praksis

### **Globalization Of Nothing Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Globalization Of Nothing has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Globalization Of Nothing has opened up a world of possibilities. Downloading Globalization Of Nothing provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Globalization Of Nothing has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Globalization Of Nothing. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Globalization Of Nothing. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Globalization Of Nothing, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Globalization Of Nothing has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Globalization Of Nothing Books

1. Where can I buy Globalization Of Nothing books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Globalization Of Nothing book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Globalization Of Nothing books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Globalization Of Nothing audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
