The Hidden Jesus Dan R. Mitchell, 2014-11-12 This book will shake your faith in Jesus Christ History has hidden who Jesus really is The information from reputable sources forces us to change our image of Jesus We fail to see the struggles of a normal man in a Jewish life While the narrative text struggles to remain true to the Gospel it also uses information of recent discoveries It leaves you wondering just what has come to us in the selective texts of the Bible and why other texts have not been put in the Bible by a faith that wanted only a God and not a men

Jesus Incognito Martien E. Brinkman, 2013 In this book Martien Brinkman explores the Jesus incognito as found in Western film literature and the visual arts since 1960 His interest here is focused primarily on indirect references to the Jesus figure To his surprise he found an abundance of allusions to Jesus in key figures in modern art This confirmed his view that film literature and the visual arts make a substantial contribution even in secular Western culture to continuing reflection on Jesus significance Brinkman finds important characteristics of a hidden Christ in films by Gabriel Axel Ingmar Bergman Krzysztof Kieslowski and Lars von Trier novels by Peter De Vries J M Coetzee and Arnon Grunberg poems by Les Murray and Czeslaw Milosz and paintings by Andy Warhol Harald Duwe and Frans Franciscus He defines a hidden Christ as a fictional human individual who can be seen as a new embodiment of the meaning that can be attributed in the present to the biblical figure of Jesus The hidden Christ is therefore a contemporized Jesus figure This book will be of interest for everyone who shares Brinkman s quest for this Jesus incognito

Life in the

Kingdom, book 1 Steve Husting, 2017-11-29 Have you ever asked yourself Is this all there is to being saved Isn't there something more to this Most of us are only being taught half a salvation Jesus views on salvation are quite at odds with the way many of us experience it in our day to day lives Life in the Kingdom is a devotional commentary on living the Christian life as Jesus anticipated it Covering Matthew chapters 1-14 in this volume we begin to see how the many elements of the Christian life are actually building materials for the Kingdom of God We Christians seldom use the phrase Kingdom of God choosing rather to use saved But seeing our salvation in the context of the Kingdom clarifies why we do what we do our position in God's plan of the ages and imparts meaning to us who surrender to it **Colossians** David J.

Landegent, 2017-06-06 Some people can't see the forest for the trees they get so bogged down in details that they lose sight of what it's all about Others can't see the trees for the forest they miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Paul's letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in God's truth and growing in our faith Come and join the journey **The Gospel of Mark as a Model for Action** John Paul

Heil, 2001-04-26 **Sincerely, Amen** Gretel Magnuson, 2025-10-15 Sincerely Amen Today's Prayer are letters written from a sincere heart to the Heavenly Father One hundred eighty two prayers of devotion invite you to discover peace hope and encouragement in God's Word The scriptures come alive through the author's original poems hymns stories and word pictures each entry formatted as a personal letter to God Covering topics ranging from trust and tribulation to surrender and salvation Sincerely Amen takes the concept of a devotional one step further giving voice to prayers the heart longs to speak Read and reread these thought provoking prayers seeking shelter in the Most High and find refuge under the shadow of His wings

A Christian-Muslim Comparative Theology of Saints Hans A. Harmakaputra, 2022-09-19 In *A Christian-Muslim Comparative Theology of Saints* The Community of God's Friends Hans A. Harmakaputra focuses on a question that emerges from today's multi-faith context Is it possible for Christians to recognize non-Christians as saints To answer affirmatively he offers a Christian perspective on an inclusive theology of saints through the lens of comparative theology that is based on the thought of Catholic Protestant and Muslim theologians Karl Rahner Jean Luc Marion Elizabeth Johnson Dietrich Bonhoeffer Paul Tillich and Ibn Arab As a result of this interreligious comparison three theological constructs emerge 1 saints as manifestations and revealers of God's self-communication 2 the hiddenness of saints and 3 saints as companions These theological constructs redefine and reconfigure Christian understanding of saints on one hand and on the other hand provide

theological reasoning to include non Christians in the Christian notion of the communion of saints **The Hidden Life**
Adolph Saphir,1877 Adolph Saphir s classic meditation on chapter four verse eight of the Book of James is treasured for its poignant spiritual assessment of the New Testament Draw near to God and he will draw near to you is the message at the heart of The Hidden Life For the author these words summarize most perfectly the exactness of God s message through the New Testament With this as his basis Adolph Saphir proceeds to discuss how to live with the Holy Trinity in mind Yet his contemplations are rich in their variety he visits such topics as Eastern mysticism found in religions of India and Islam the discussions between God and Biblical figures such as Nicodemus and the message brought by Christ to humankind The meditations herein are supported by references to chapters of the New Testament together with a variety of quotations from spiritual authors of antiquity and early modern times Though his inquiry is winding with touches of eclecticism Saphir never loses sight of the objective growing closer to the spiritual essence of the Lord and Jesus Christ The Saphir family converted from Judaism to Christianity when Adolph was a child Intellectually apt Adolph gained a Master s degree from Glasgow University and went on to serve as a minister and missionary of some renown in the 19th century Glasgow University made him an honorary Doctor of Divinity in 1878 **Anonymous** Alicia Britt Chole,2011-09-05 In Anonymous learn to recognize the riches in the uncelebrated seasons of your life When your potential is unseen and your abilities are unappreciated use those times as opportunities to develop an unshakable identity and to find rest in God s timing just as Jesus did Unsettling spaces are actually the surprising birthplace of true spiritual strength Most of Jesus first thirty years went unnoticed by the world but that season of quiet anonymity prepared Him for true greatness and made Him unshakable when His time had come Using Jesus hidden years as inspiration Alicia Chole memorably demonstrates how to Resist resentment when your accomplishments go unnoticed Repurpose your own hidden years and experience deep growth Resolutely live out God s dreams for you with integrity and confidence We all experience times of hiddenness when our potential is unseen and our abilities remain uncelebrated This book will encourage you to not rush through those times by reminding you that these anonymous seasons of the soul hold enormous power to cultivate character traits that cannot be developed any other way
