Enslaved 1st Edition:

Twelve Years a Slave (First International Student Edition) (Norton Critical Editions) Solomon Northup, 2016-12-15 This Norton Critical Edition of Solomon Northup's harrowing autobiography is based on the 1853 first edition. It is accompanied by Henry Louis Gates Jr and Kevin Burke's introduction and detailed explanatory footnotes. The Norton Critical Edition also includes the illustrations printed in the original book. Contemporary sources 1853-62 among them newspaper accounts of Northup's kidnapping and ordeal and commentary by Frederick Douglass, Harriet Beecher Stowe, and Thomas W. MacMahon. A Genealogy of Secondary Sources 1880-2015 presenting twenty-four voices spanning three centuries on the memoir's major themes. Contributors include George Washington Williams, Marion Wilson Starling, Kenneth Stampp, Robert B. Stepto, Trish Loughran, and David Fiske. Clifford W. Brown Jr and Rachel Seligman among others. The 2013 film adaptation 12 Years a Slave fully considered with criticism and major reviews of the film as well as Henry Louis Gates's three interviews with its director Steve McQueen. A Chronology and Selected Bibliography. **Modern First Editions, Private Press Books, Important Books in Literature and Art, Voyages and Travels** Maggs Bros, 1929

Sale Anderson Galleries, Inc, 1922. **Slave Captain** Suzanne Schwarz, 2008-01-01 One of the very few firsthand accounts written by a Liverpool slave ship captain to have survived, this unique and fascinating primary source navigates the reader through the remarkable story of James Irving, a Liverpool slave ship captain who was shipwrecked off the coast of Morocco and subsequently enslaved. Schwarz skillfully supplements Irving's personal journal and letters with useful notes, making this an essential volume for anyone interested in the relationship between the slave trade and the British Empire. **Slave Captain** is a compelling narrative that will be welcomed by the general reader and scholars alike. **Only by Experience: An Anthology of Slave Narratives** Broadview Press, 2023-05-09 Only by Experience: An Anthology of Slave Narratives collects in whole or in part sixteen of the most significant and influential slave narratives in English. Based on material from the acclaimed Broadview Anthology of American Literature, the anthology includes works from the British Empire as well as the United States and puts classic examples of the slave narrative genre in conversation with works that raise questions about how the genre is defined. The anthology also features thorough headnotes and annotations for each work, along with detailed contextual materials for many of the works included. **Multicultural America** Carlos E. Cortés, 2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U.S. Census data to examine multiculturalism today and tomorrow in America. This distinction is important considering the following NPR report by Eyder Peralta: Based on the first national numbers released by the Census Bureau, the AP reports that minorities account for 90 percent of the total U.S. growth since 2000 due to immigration and higher birth rates for Latinos. According to John Logan, a Brown University sociologist who has analyzed most of the census figures, the futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations. Both non-Hispanic whites and blacks

are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural Multicultural America A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today s students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title s editors
