

A close-up photograph of a brass scale of justice. The scale is made of polished brass and features a central vertical column with two horizontal arms. Each arm has a circular weight hanging from it. The scale is mounted on a dark, possibly wooden or metal, base with a decorative, fluted pattern. A clear glass container is partially visible in the background, containing a light-colored, granular substance. The lighting is warm and focused on the brass, creating highlights and shadows that emphasize its texture and form.
