## **Executive Guide To Local Area Networks:**

**Executive Guide to Local Area Networks** Wayne Rash, Peter Stephenson, 1990

**Executive's Guide to the Wireless Workforce** Russell D. Lambert, 2003-07-25 You don't want or need to understand every minute detail of how wireless works you just want to learn how to effectively use wireless to impact your bottom line Executive's Guide to the Wireless Workforce avoids excessive use of buzzwords acronyms and consultantese to provide you with a succinct and straightforward template for defining assessing and deploying wireless technologies at every level of your organization to lower your costs deepen your customer interactions and strengthen your competitive position in today's increasingly mobile marketplace Order your copy today

**An Executive's Guide to Information Technology** Robert Plant, Stephen Murrell, 2007-05-17 Assessing the most valuable technology for an organization is becoming a growing challenge for business professionals confronted with an expanding array of options This 2007 book is an A-Z compendium of technological terms written for the non technical executive allowing quick identification of what the term is and why it is significant This is more than a dictionary it is a concise review of the most important aspects of information technology from a business perspective the major advantages disadvantages and business value propositions of each term are discussed as well as sources for further reading and cross referencing with other terms where applicable The essential elements of each concept are covered in a succinct manner so the reader can quickly obtain the required knowledge without wading through exhaustive descriptions With over 200 terms this is a valuable reference for non and semi technical managers executives and graduate students in business and technology management

*The Executive's Guide to Information Technology* John Baschab, Jon Piot, 2007-07-13 Praise for the The Executive's Guide to Information Technology This book is important reading It offers practical real world insight and pragmatic no nonsense approaches for people who have a stake in corporate IT Lynda Applegate Henry R Byers Professor of Business Administration Harvard Business School Information systems and processes are very important parts of our due diligence assessment of a company yet the jargon is often more difficult to understand than many foreign languages Baschab and Piot effectively translate IT into words and concepts that businesspeople can easily understand and act upon This book is a helpful reference guide for corporate executives and private equity groups of all types Neal Aronson Managing Partner Roark Capital Group Business success increasingly depends on effective use of IT Effective use of IT depends on the kind of in depth practical insight in this book Baschab and Piot provide a pragmatic approach to information systems investment that should be required reading for senior executives and CIOs alike Erik Brynjolfsson Schussel Professor of Management Director of the Center for Digital Business MIT This book should provide valuable guidance for management and technology consultants The Executive's Guide to Information Technology provides field proven insight on all important aspects of IT planning and execution from governance to applications to operations and infrastructure Gary J Fernandes former vice chairman EDS member of the Board of Directors Computer Associates Baschab

and Piot do a great job of laying out the fundamental issues and challenges that every IT organization faces More often than not the issues are not technical in nature but are a reflection of how the IT and business teams work together to define execute and implement new business tools The threshold issue is leadership Often it is difficult for business leaders to feel that they have the skills and perspective to provide that leadership on technical projects The Executive's Guide to Information Technology provides non technical business leaders a solid framework for engaging with their IT peers Tom Nealon Chief Information Officer J C Penney *Executive's Guide to COSO Internal Controls* Robert R. Moeller,2013-12-31 Essential guidance on the revised COSO internal controls framework Need the latest on the new revised COSO internal controls framework Executive's Guide to COSO Internal Controls provides a step by step plan for installing and implementing effective internal controls with an emphasis on building improved IT as well as other internal controls and integrating better risk management processes The COSO internal controls framework forms the basis for establishing Sarbanes Oxley compliance and internal controls specialist Robert Moeller looks at topics including the importance of effective systems on internal controls in today's enterprises the new COSO framework for effective enterprise internal controls and what has changed since the 1990s internal controls framework Written by Robert Moeller an authority in internal controls and IT governance Practical no nonsense coverage of all three dimensions of the new COSO framework Helps you change systems and processes when implementing the new COSO internal controls framework Includes information on how ISO internal control and risk management standards as well as COBIT can be used with COSO internal controls Other titles by Robert Moeller IT Audit Control and Security Executives Guide to IT Governance Under the Sarbanes Oxley Act every corporation has to assert that their internal controls are adequate and public accounting firms certifying those internal controls are attesting to the adequacy of those same internal controls based on the COSO internal controls framework Executive's Guide to COSO Internal Controls thoroughly considers improved risk management processes as part of the new COSO framework the importance of IT systems and processes and risk management techniques **Executive's Guide to Information Technology** James Cox,1999-10-11 Plain language clear explanations and a focus on practical business applications A recent A T Kearny study found that information technology is the number one item on the agendas of a majority of CEOs and boards of directors However while senior managers are spending more time keeping abreast of developments in IT many remain uncomfortable making decisions concerning technology issues that they don't entirely grasp Executive's Guide to Information Technology presents a comprehensive nontechnical model for understanding the IT environment Focused on the issues that are most important to upper level managers this book supplies the big picture perspective needed to understand IT as a whole while explaining how various components work together to support business functions Without getting bogged down in details it provides clear comprehensible overviews of Networking and platform technologies Software infrastructureE Information management systems Enabling technologies Applications Middleware application servers and system

management technologies The future belongs to organizations with the knowledge and confidence to exploit their IT resources wisely and use them aggressively Executive s Guide to Information Technology gives business leaders the tools they need to do both In a business environment increasingly driven by information technology it is essential for top level executives to keep abreast of the latest developments in IT They must understand how information systems can help achieve business goals and be able to use this understanding to make critical business decisions Unfortunately many senior level executives find themselves at the mercy of technicians who have little grasp of business issues focus on details rather than broader functions and speak an arcane and mystifying language There is a clear need for an intermediary to help executives decipher technological language seek and get the answers that are most important from a business perspective and develop better working relationships with IT personnel Executive s Guide to Information Technology provides a Rosetta stone that makes sense of a seemingly chaotic cluster of components a coherent trustworthy frame of reference that lays the foundation for more effective working relationships among business executives and technology managers This book helps executives ask better questions about IT issues and better understand the answers they receive Using integrated models that illustrate how information technologies form an infrastructure that supports practical business uses of information it keeps the discussion focused on matters of direct concern to executives Understanding these models develops a stronger grasp of the evolving role IT plays within organizations and establishes a comfort zone within which managers can develop a keener comprehension of component technologies and the strategic and tactical business decisions that surround them Whether it is read from cover to cover or consulted as a quick reference Executive s Guide to Information Technology is an indispensable tool for CEOs board members COOs CFOs controllers treasurers and other business professionals who need to establish firm control of the governance direction and management of two of their most valuable assets information and the technologies that support it

Executive Guide To Local Area Networks: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. Executive Guide To Local Area Networks : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Executive Guide To Local Area Networks : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
