Executive Leadership:

Executive Leadership Elliott Jaques, Stephen D. Clement, 1994-06-06 Strong managerial leadership is a major factor in competitiveness and effectiveness in business Companies must establish a managerial organization structure that puts competent managerial leaders into suitable roles The aim of this practical text is to provide a foundation for leadership at a down to earth and understandable level **Executive Leadership**, 1987 **Federal Executive Institute's Center for Executive Leadership** Center for Executive Leadership (Federal Executive Institute), 2004 **Executive Leadership Attributes Relating to Transformed Organizational Human Resource Services** Kathleen K. Roth, 2004 This study explored the relationships between the transformational leadership attributes of Human Resource HR executives and the Internet based transformed HR services they provide In general this research addressed the question whether HR executives who are more transformational in leader style are more likely to be successful in transforming their respective HR services Senior HR executives of Fortune 1000 Forbes 257 and other high performance organizations responded to an online survey regarding their relevant organizational roles HR experience levels Information Technology IT experience levels education levels and their involvement levels during their Internet based system implementations The primary data came from their assessments of the impact of their Internet based HR information systems and also self reports of their individual leadership style using the MLQ 5X instrument A total of 58 senior HR executives responded to the survey representing an overall 4.8% response rate from the 1,219 prospective executives Participating senior HR executives represented public private and not for profit organizations in a variety of industries **Federal Executive Institute's Center for Executive Leadership** Center for Executive Leadership (Federal Executive Institute), 2002 *Executive Leadership* Joseph Olmstead, PH.D., 2010-02-17 This book provides a genuine understanding of practical leadership based upon years of research and development It identifies the essential components of leadership and supplies guidelines for developing and implementing those skills Clear straightforward explanations and examples direct executives on how to establish objectives delegate authority direct subordinates and motivate the team Executive Leadership supplies a comprehensive analysis of effective leadership at senior levels and presents a model for establishing an efficient and productive workplace Joseph A Olmstead Ph D is vice president for product development with the Vanguard Research Group His experience includes 22 years as a senior staff scientist and a program director for the Human Resources Research Organization Dr Olmstead is the author of numerous books on leadership and organizational effectiveness Breaking the Leadership Mold Rosie Steeves, 2010-08-16 Much has been written about leaders and leadership Journal articles blogs and books try to home in on the essence of an effective leader While there is common agreement that a executive's performance can make or break company defining that essence of effective leadership remains the Holy Grail for those who find themselves at the top for those who are responsible for carrying out the strategies and dictates of their managers and for the shareholders who want to see commitment action

and positive financial return Breaking the Leadership Mold is designed to help senior executives and managers respond to the challenges of today and shed the vestiges of days gone by In so doing they will better lead and enable their staff and create a work environment that is healthy engaging productive and sustainable Based on the author s extensive research and 35 years experience in working with local national and international companies Breaking the Leadership Mold offers 20 principles such as Principle 10 Recognize How Executive Team Dynamics Promote Mediocrity and Principle 14 Get Other Executives On Board or Out of the Way that when implemented will ensure that not only is there effective communication throughout the organization from top to bottom and bottom to top but also that employees and executives alike contribute to their full potential The net result the organization wins on every measure The 20 principles are built on the pillars of case studies experience and research Effective leadership is an absolute in any business environment but becomes even more critical in times when businesses face unprecedented challenges and need to be nimble and responsive to change Breaking the Mold has proven strategies to empower unite and galvanize managers and employees and their organization to enable them to prosper and adapt in a swift changing environment
