Exit Laughing:

Irvin S. Cobb William E. Ellis, 2017-09-29 This biography of a little remembered Southern humorist delivers on its claim that Cobb's life is emblematic of changes that registered on a larger scale. Journal of Southern History Humor is merely tragedy standing on its head with its pants torn. Irvin S. Cobb Born and raised in Paducah Kentucky humorist Irvin S. Cobb 1876-1944 rose from humble beginnings to become one of the early twentieth century's most celebrated writers. As a staff reporter for the New York World and Saturday Evening Post he became one of the highest paid journalists in the United States. He also wrote short stories for noted magazines, published books, and penned scripts for the stage and screen. In *Irvin S. Cobb: The Rise and Fall of a Southern Humorist* historian William E. Ellis examines the life of this significant writer. Though a consummate wordsmith and a talented observer of the comical in everyday life, Cobb was a product of the Reconstruction era and the Jim Crow South. As a party to the endemic racism of his time, he often bemoaned the North's harsh treatment of the South and stereotyped African Americans in his writings. Marred by racist undertones, Cobb's work has largely slipped into obscurity. Nevertheless, Ellis argues that Cobb's life and works are worthy of more detailed study, citing his wide-ranging contributions to media culture and his coverage of some of the biggest stories of his day, including on the ground reporting during World War I. A valuable resource for students of journalism, American humor, and popular culture, this illuminating biography explores Cobb's life and his influence on early twentieth-century letters.

Murder, She Rode Holly Menino, 2013-08-13 *Murder, She Rode* is smart, funny, and sparkingly alive on every page. I devoured it. Spencer Quinn, New York Times bestselling author of *A Fistful of Collars*. Holly Menino takes the blue ribbon for a lively, literate first equestrian mystery, strong in characterization and plotting, long on suspense, braided with vivid detail and beautifully written. Menino not only understands riders, trainers, and horse people, she knows how horses think. Best of all, she knows how to put all this together in a compelling story that will keep you reading past your bedtime. Start to finish, a winner. Susan Wittig Albert, author of *Cat's Claw*. A sharply observed and engaging debut introducing Tink Elledge, a compelling new amateur sleuth who takes readers behind the scenes into the rituals and intrigue of a three-day equestrian competition. A former world-class rider and an adept horse trainer, Tink Elledge is a woman with a mission to see her prized horse take home the victory at the prestigious Brandywine Three Day Event. Tink is whip-smart, headstrong, and used to making her own way, so when an accident forces her onto the sidelines and causes her to forfeit the ride on what may be her last horse, to a pro, she struggles with the realization that her peak days as a horsewoman may be behind her. Then, before the event can begin, a truck accident kills a respected horseman and a talented colt. And when a young rider disappears, what began as a seemingly freak accident reveals sinister roots that lead directly to the tightly knit equestrian community, and that Tink, in her newfound and uneasy role as a spectator, can't help trying to uncover. During the three-day event, horses will perform with inspiring grace. Their riders will navigate treacherous obstacles. And Tink will unravel a plot that threatens the reputations and lives of

the very men and women she hopes to defeat on the course Holly Menino has spent a lifetime living with and writing about horses She is the acclaimed author of three nonfiction books who has been praised by The Washington Post for her literate and lively style But it is *Murder She Rode* that showcases Holly s immense talent as a storyteller and introduces an irresistible new voice in an engaging read
