Experience Teaches Wisdom:

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious

Broken but Not Crushed Clive Clarke, 2017-01-03 Have you felt cast down Have you ever felt like life is a constant battle In Broken but Not Crushed author Clive Clarke makes the bold assertion that no matter how far you have fallen no matter how far you have sunk in life if you just get up and continue walking you will make it back to the top He suggests the type of mind set you should try to possess and guard in order to get there Its what some would call The Winning Mind set In this mind set one demonstrates the courage to believe that anything is possible when one sets his or her mind on achieving it He also suggests that you should have and embrace an invincible determination to let nothing deter you from your goals and dreams in life By embracing this kind of mind set Clive asserts that you will cope with and overcome all odds faced in life As he purports life is a battlewin it
