Here Come The Co Eds:

The Annotated Abbott and Costello Matthew Coniam, Nick Santa Maria, 2023-01-11 Abbott and Costello were the most popular comedians of the 1940s with burlesque inspired routines that enthralled audiences on both radio and television. Oddly their films have not received the same level of attention from critics and writers as those of other comedy teams. This book is a scene by scene film by film guide to their movies making a compelling case for their inclusion at the very top of comic artists. Featuring new research and some surprising revelations the book introduces newcomers to the delights of this uproarious team and provides confirmed fans with the ultimate companion to their work. Also included is a foreword by John Landis the celebrated director and Abbott and Costello devotee.
