Get A Better Job:

How to Choose and Get a Better Job Edward Jones Kilduff, 1921 *Team Up! Find a Better Job Faster with a Job Search Work Team* Orville Pierson, 2014-01-01 You already know that job hunting can be difficult It can be tough in a good job market In a bad job market it can be brutal You get rejection after rejection You re constantly faced with the Black Hole of job hunting You complete applications post resumes and make contacts but get no response at all It can be hard to keep going and many job hunters have periods of doing far too little and even slowing down just when they need to speed up And sometimes it s hard to know what kind of effort to make Should you make more phone calls Use more social networking sites Find more job boards Make more contacts A professional career coach could assist you with all of this However many job hunters are unemployed and not in a position to hire a coach A PROVEN SYSTEM But now there s another solution Rather than hunker down alone in a home office you can do your job hunting as part of a Job Search Work Team Team members do not need to be experts since they re using a proven system one that s been successfully used by a 300 office global career services company for over 20 years Job Search Work Teams have helped thousands of job hunters find great new jobs faster Team Up shows you the university research that explains why and how these teams are so successful And the book tells you exactly what to do to join start or lead one of these teams Teams have been shown to shorten job searches by 20% That could cut a five month search to four months and save you a full month s salary ENDORSED BY EXPERIENCED CAREER PROFESSIONALS Career professionals who have used Job Search Work Teams are enthusiastic about their value for job hunters On the first two pages of Team Up you ll see endorsements from people with a combined total of 200 years experience as professional career coaches On the back cover of the book you ll see endorsements from leaders of church synagogue and nonprofit programs that use these teams In that kind of program teams are usually led by the job hunters themselves The teams have proven successful when led by professional leaders volunteer workers or team members But however they re led it s important that all team members understand exactly how they work and what to do in meetings to help make every member s search more effective more comfortable and faster Team Up explains the whole thing step by step telling you exactly how you can start join or lead one of these teams JOB SEARCH WORK TEAMS OFFER A comfortable supportive weekly meeting that s focused on making every team member s job search more effective this week than it was last week Networking assistance since every member has two dozen eyes and ears on the lookout for job leads and job market information not just two An advisory group to answer questions enumerate options and provide objective advice A simple progress measurement system that allows job hunters to answer three key questions 1 Before you start getting job interviews how do you know whether you re making progress 2 How much progress did you make this week 3 Which of your efforts are producing the progress TEAM UP TELLS YOU How to join an existing Job Search Work Team How to start your own team if there isn t one near you How to ensure that every weekly team meeting is safe comfortable and highly
