Gun Control Debate An Update:

The Gun Debate Philip J. Cook, Kristin A. Goss, 2020-04-02 The Gun Debate What Everyone Needs to Know takes readers on a tour of the issues that Americans debate when they talk about guns The volume includes information on gun control pertaining to U S history jurisprudence cultural beliefs political agendas epidemiological data criminology law and regulation and policy effectiveness

The Gun Control Debate Lee Nisbet, 2001 At the end of the twentieth century and into the twenty first highly publicized gun massacres especially in schools have maintained gun control as a hotly contested peculiarly American political and cultural debate

Gun Control in the United States Gregg Lee Carter, 2017-01-23 This up to date second edition work will stimulate and clarify readers thinking on the key issues surrounding guns in the United States especially on the debate over gun control Most public debate and discussion about guns in U S society is rarely guided by research not surprising as most individuals have a personal opinion on this highly inflammatory topic based on their upbringing or personal experiences Additionally most research about gun use in America is confusing and contradictory making it difficult for citizens to gain much from their attempts to investigate the topic objectively This book offers concise understandable coverage of all aspects of the issue including incidence of gun violence gun control gun rights government regulation legislation and court decisions gun organizations for gun control and for gun rights gun enthusiast subcultures for example hunters target shooters and collectors and U S attitudes toward guns Many of the covered topics are placed in historical and cross cultural perspective The new edition of *Gun Control in the United States A Reference Handbook* enables the reader to navigate and interpret the research to become sufficiently educated on any specific aspect of the gun issue to make an informed decision for example whether to support stricter or more lenient gun control whether to become a gun owner whether to support a particular political party or candidate or whether to develop or to refine a particular philosophy regarding guns Other aspects of the contemporary gun debate that are addressed include whether the Supreme Court s ruling that the Second Amendment guarantees an individual right will withstand future challenges whether the strong gun regulations used in Europe would be effective and applicable in reducing gun violence in the United States and whether the diversity explosion created by the high rate of immigration from countries where guns are strictly controlled will soon change the politics of the U S gun control debate

Discourse, Peace, and Conflict Stephen Gibson, 2018-11-29 This first of its kind volume brings discursive psychology and peace psychology together in a compelling practical synthesis An array of internationally recognised contributors examine multiple dimensions of discourse official and casual speech rhetoric and text in creating and maintaining conflict and building mediation and reconciliation Examples of strategies for dealing with longstanding conflicts the Middle East significant flashpoints the Charlie Hebdo case and current heated disputes the refugee crisis in Europe demonstrate discursive methods in context as they bridge theory with real life This diversity of subject matter is matched by the range of discursive approaches applied to peace psychology concepts methods and practice

Among the topics covered Discursive approaches to violence against women The American gun control debate a discursive analysis Constructing peace and violence in the Palestinian Israeli conflict Discursive psychological research on refugees Citizenship social injustice and the quest for a critical social psychology of peace The emotional and political power of images of suffering discursive psychology and the study of visual rhetoric Discourse Peace and Conflict offers expansive ideas to scholars and practitioners in peace psychology as well as those in related areas such as social psychology political psychology and community psychology with an interest in issues pertaining to peace and conflict

Encyclopedia of Gun Control and Gun Rights Glenn H. Utter, 2000 A listing of the court cases personalities laws and groups involved in the regulation of guns The book begins with an essay on the issues in the gun control battle and a short guide to the court cases and groups involved placing them in the opposing camps The entries which are balanced and well written include photographs and charts

Libr J **The Gun Control Debate--an Update** Sharon Fuller, 1994 **The Gun Debate** Philip J. Cook, Kristin A. Goss, 2014 The authors explore the origins of the American gun culture and the makeup of both the gun rights and gun control movements Written in question and answer format the book will help readers make sense of the ideologically driven statistics and slogans that characterize our national conversation on firearms

Publisher s description **People For and Against Gun Control** Marjolijn Bijlefeld, 1999-09-30 The debate over gun control is a complex and compelling one that has created a deep divide between gun rights and gun control supporters Student researchers can use this reference source to explore the issue through the lives of fifty people who have become actively involved in either supporting gun control and stricter laws or in supporting the rights of people to own and carry guns This unique approach to the debate provides profiles of these individuals highlighting the different reasons for each person s deep involvement in the debate and the different elements involved in the debate as a whole Victims of gun violence police officers physicians and Second Amendment scholars are among those who put a human face on this complicated debate Readers can expect to experience a range of emotions and a questioning of their own views as they explore the complex issues of individual rights the role of government and law enforcement public health questions and social issues such as gang violence and the need for safe communities from a variety of perspectives A thorough introduction outlining the debate references to additional sources and complete lists of federal and state gun laws are additional tools this volume provides to help students understand the complexity of this divisive social issue

Gun Control Sandra Alters, 2007 A compilation of facts and statistics on gun control in the U S discussing the history of the right to bear arms firearms laws and regulations related court rulings guns and crime injuries and fatalities guns and youth public attitudes and gun control laws

The Great American Gun Control Debate (Not!) Michael E. Wuest, 2010-03 In THE GREAT AMERICAN GUN CONTROL DEBATE Not Mr Wuest puts gun control under the microscope He ferrets out the truth separating fact from fiction He presents not a balanced picture but scientific objectivity What is important is not popular opinion or conventional wisdom but the TRUTH What works and what doesn t What have we

already done and what should we do or do not We have had some gun control for as much as a hundred years Has it done any good Has it worked to prevent crime Has gun control become a free ride Or does it cost us dearly An engineer by profession Mr Wuest examines this and more using rigorous testing Frustrated by the lack of honest debate regarding gun control Mr Wuest provides both sides of the arguments The gun control side is well known no end of print and air time have been devoted to supporting it What is the other side the one we never hear Is there a downside to gun control Find out the answers to these and other questions in **THE GREAT AMERICAN GUN CONTROL DEBATE** Not Mr Wuest provides a breath of fresh air to a stale debate We have been stuck in a gun control rut for so long that it is questionable if the truth will prevail Let us all hope so *Gun Control* Sandra M. Alters,2009 A compilation of facts and statistics on gun control in the U S discussing the history of the right to bear arms firearms laws and regulations related court rulings guns and crime injuries and fatalities guns and youth public attitudes and gun control laws Gun Control Margaret Haerens,2005 A compilation of facts and statistics on gun control in the U S discussing the history of the right to bear arms firearms laws and regulations related court rulings guns and crime injuries and fatalities guns and youth public attitudes and gun control laws *Armed* Gary Kleck,Don B. Kates,2001-11 Hoping to disentangle myth from reality the authors summarize research on guns and violence in accessible nontechnical language Among the topics addressed are media bias in coverage of gun issues prohibitionist measures for reducing gun violence and a close analysis of the Second Amendment **Choice** ,2000 Kentucky Law Journal ,2014 **Current Issues in American Politics** ,1999 This special topics reader includes articles from The New York Times journals and popular sources It provides an introduction to the current debates in American politics **Case Research Journal** ,1996 **Firearm Use in Violent Crime** ,1978 *Chronicles* ,2000 **Small Arms Survey 2004** Graduate Institute of International Studies (Geneva, Switzerland),2004 The Small Arms Survey is now recognized as the principal international source of impartial and reliable information on all aspects of small arms Its blend of information and analysis makes it an indispensable resource for policy makers officials and non governmental organizations Small Arms Survey 2004 provides new and updated information and research on all aspects of small arms production stockpiles and trade It contains vital information on issues such as weapons collection in post conflict environments and the effects of small arms availability and misuse on human development
