**Historic Costume** Francis Michael Kelly, Randolph Schwabe, 1929 *Graded List of Books for Children*, 1930 **The English Catalogue of Books** Sampson Low, 1926 Volumes for 1898 1968 include a directory of publishers **The Bookman**, 1913 [The Journal of Education](#), 1926 **The Player's Library ...** British Drama League. Library, 1930 [Stories from Exceptional Language Learners Who Have Achieved Nativelike Proficiency](#) Katarina Mentzelopoulos, Zoltán Dörnyei, 2022-10-25 It is generally understood that most language learners beyond a certain age are unlikely to ever reach nativelike proficiency in their second language However there exists a unique population of gifted adult learners who do triumph against all odds and achieve nativelike proficiency and their learning experiences have thus far remained a largely untapped gold mine The companion to *Lessons from Exceptional Language Learners Who Have Achieved Nativelike Proficiency* this volume presents the autobiographical learning stories of 30 such exceptional individuals opening a narrative window into their learning experiences This rich corpus of success stories reveals the many steps of these language learning journeys and the learners pathways to success A fascinating and readable collection of personal stories this volume will be of interest to non specialist language learners as a motivational primer for their own studies as well as researchers working in language learning psychology who will find the unique database of learner narratives a useful tool for future research

**Imagining Medieval English** Tim William Machan, 2016-01-25 *Imagining Medieval English* is concerned with how we think about language and simply through the process of thinking about it give substance to an array of phenomena including grammar usage variation change regional dialects sociolects registers periodization and even language itself Leading scholars in the field explore conventional conceptualizations of medieval English and consider possible alternatives and their implications for cultural as well as linguistic history They explore not only the language's structural traits but also the sociolinguistic and theoretical expectations that frame them and make them real Spanning the period from 500 to 1500 and drawing on a wide range of examples the chapters discuss topics such as medieval multilingualism colloquial medieval English standard and regional varieties and the post medieval reception of Old and Middle English Together they argue that what medieval English is depends in part on who's looking at it how when and why
