**Everyday Parables** James Taylor,1995      [The Band Director's Lessons About Life: Volume 1- 50 Parables on Life's Performance Cycle](#) Donald Lee,2019-11-15 It s tough to find your way in the no man s land between traditional religious dogma and New Age woo woo Spiritual author and speaker Donald Lee masterfully reveals a common sense and universal view of spirituality in his new book of modern day parables Do you feel adrift in a sea of conflict Do you feel your life needs direction Has your spiritual journey got you lost in the woods The Band Director s Lessons About Life offers simple advice and relatable stories from your friendly neighborhood band director Using music as a metaphor for life each little parable begins with a story from school and ends with a reflection on the spiritual meaning of the story How to Find your path Be yourself Persevere through struggles Learn from failure and Love the process Fifty stories and reflections to pick you up dust you off and set you on your way Or take five minutes before bed to read a parable You ll sleep with a positive inspirational message in your mind Donald Lee draws on decades as both a band director and a religion teacher to expertly craft band room vignettes that are both entertaining and illuminating Whether you re a Sunday pew warmer a hermit monk or a high mileage astral traveler you ll find something to love cherish and chuckle at in these fascinating stories Pick up your copy today If you pick up this collection consider that you found a treasure I do It both entertains me and inspires me Archbishop Gerard Pettipas C Ss R Archbishop of Grouard McLennan The stories made me laugh The reflections made me think These lessons are for everyone Joanne Byfield Journalist Radio TV Producer      **Passionate Visionary** Richard S. Ascough,Charles A. Cotton,2006 A seasoned Bible scholar and an expert in organizational leadership and change offer principles for modern managers and leaders drawn from Paul s dynamic leadership style In a unique blend of management theory and biblical scholarship Ascough and Cotton demonstrate that Paul essentially wrote the book on how transformational leaders should operate Thoroughly grounded in biblical studies and the academic study of leadership yet written in a clear and readable style their conclusions will challenge thinking in a variety of organizations      [John for Beginners](#) James Taylor,2001 This Bible study invites both new and long time learners into an intimate and personal exploration of the Gospel of John While the gospels of Matthew Mark and Luke speak directly to the actions and teachings of Jesus John speaks in more symbolic language that can take us to deeper levels in our own reflection of who Jesus is Intended as a group study launching pad for discussion this commentary can also be used for individual study Includes questions to encourage reflection as well as short prayers after each section Appendix includes Suggestions for Study Leaders Because the Gospel of John appears at various places throughout each of the 3 year cycle this book makes a good study any time for lectionary study groups      *Learning to Live from the Parables* Morris M.
