Everything Out Of Nothingness:

Everything Out of Nothingness Jeff Hirata,2005-07-01 What is the universe What is time and space What is God and soul Why are we here and for what purpose These are some unanswered questions for todays science Since our science is still in its infant stage and cannot prove so many things we are left with so many unanswered questions creating unnecessary conflicts among us This book will provide you with all the answers you need and more because everything we know today has started from Nothingness and if you understand Nothingness you will be able to understand everything In order to know Nothingness you need to go beyond our science By understanding Nothingness this book not only satisfies the curiosity of many but also talks about the truth in every aspect of humans and the surrounding environment in a scientific and logical manner then makes a proposal to change the current direction that is the demise of humans

Anything With Nothing Mercedes Lackey,2023-11-28 This 17th anthology of short stories set in the beloved Valdemar high fantasy universe features tales by debut and established authors and a brand new story from Mercedes Lackey The Heralds of Valdemar are the kingdom s ancient order of protectors They are drawn from all across the land from all walks of life and at all ages and all are Gifted with abilities beyond those of normal men and women They are Mindspeakers FarSeers Empaths ForeSeers Firestarters FarSpeakers and more These inborn talents combined with training as emissaries spies judges diplomats scouts counselors warriors and more make them indispensable to their monarch and realm Sought and Chosen by mysterious horse like Companions they are bonded for life to these telepathic enigmatic creatures The Heralds of Valdemar and their Companions ride circuit throughout the kingdom protecting the peace and when necessary defending their land and monarch Join a variety of authors as they ride with Mercedes Lackey to the beloved land of Valdemar and experience the many facets of this storied high fantasy realm

Everything and Nothing Graham Priest,Markus Gabriel,2022-09-15 Is it possible for reality as a whole to be part of itself Can the world appear within itself without thereby undermining the consistency of our thought and knowledge claims concerning more local matters of fact This is a question on which Markus Gabriel and Graham Priest disagree Gabriel argues that the world cannot exist precisely because it is understood to be an absolutely totality Priest responds by developing a special form of mereology according to which reality is a single all encompassing whole everything which counts itself among its denizens Their disagreement results in a debate about everything and nothing Gabriel argues that we experience nothingness once we overcome our urge to contain reality in an all encompassing thought whereas Priest develops an account of nothing according to which it is the ground of absolutely everything A debate about everything and nothing but also a reflection on the very possibility of metaphysics
