## **Global Geopolitics:**

*Global Geopolitics* Klaus J. Dodds, 2014-05-22 Employing thematic investigation and illustrated through case studies Dodds explores how global politics is imagined and practised by countries such as the US and other organisations including Greenpeace the IMF and CNN International In addition the author discusses how issues such as environmental degradation terror networks anti globalisation protests and North South relations challenge consolidate and subvert the existing international political system

*New Thinking In International Relations Theory* Michael W Doyle, G. John Ikenberry, 2018-06-26 This book of ten original essays provides a showcase of currently diverse theoretical agendas in the field of international relations Contributors address the theoretical analysis that their perspective brings to the issue of change in global politics Written for readers with a general interest in and knowledge of world affairs *New Thinking in International Relations Theory* can also be assigned in international relations theory courses The volume begins with an essay on the classical tradition at the end of the Cold War Essays explore work outside the mainstream such as Jean Bethke Elshtain on feminist theory and James Der Derian on postmodern theory as well as those developing theoretical advances within traditional realms from James DeNardo's formal modeling to the more descriptive analyses of Miles Kahler and Steve Weber Other essays include Matthew Evangelista on domestic structure Daniel Deudney on naturalist and geopolitical theory and Joseph Grieco on international structuralist theory

*The Blackwell Companion to Globalization* George Ritzer, 2018-05-16 This companion features original essays on the complexity of globalization and its diverse and sometimes conflicting effects Written by top scholars in the field it offers a nuanced and detailed examination of globalization that includes both positive and critical evaluations Introduces the major players theories and methodologies Explores the major areas of impact including the environment cities outsourcing consumerism global media politics religion and public health Addresses the foremost concerns of global inequality corruption international terrorism war and the future of globalization Wide ranging and comprehensive an excellent text for undergraduate and graduate students in a range of disciplines

**De Gruyter Handbook of Feminist Political Geography** Sydney Calkin, Cordelia Freeman, 2025-11-17 Feminist Political Geography is a relatively new but rapidly growing area of interest in Geographical scholarship It emerged from feminist engagement with the sub discipline of Political Geography which broadly concerns the intersection of politics power and space and it responds to silences and absences in this sub discipline as well as wider silences in Geography scholarship While early scholarship in Feminist Political Geography concentrated on including women's bodies and lives in scholarship its focus has evolved and expanded over time Today Feminist Political Geography scholarship advances broader goals that do not necessarily entail a research focus on women but push us to think about other lives and bodies that are traditionally absent from analysis It challenges us to reimagine and build just futures Like all feminist analysis this body of scholarship is not content with describing or explaining injustices it advances a normative critique of injustice and overtly commits itself to the

project of justice In this book the reader will find chapters authored by leading scholars who interrogate key ideas debates and developments with a particular focus on intersectional ideas Structured into four sections that go from the origins of Feminist Political Geography to its futures this handbook is the definitive state of the art survey of this vibrant sub discipline

Political Space Yale H. Ferguson,R. J. Barry Jones,2012-02-01 This collection brings together an unusually distinguished and diverse group of theorists of global politics political geography and international political economy who reflect on the concept of political space Already familiar to political geographers the concept of political space has lately received increased attention arising out of the need for new ways of thinking about and describing the actors structures and processes that shape politics and patterns of governance in today s complex post Cold War world The essays explore the frontiers of the field of global politics and each deals imaginatively with some aspect of political space Although the participants may be loosely classified as realists neo realists constructivists and postinternationalists the essays are not fitted to the usual theoretical pigeonholes What they do share is a continued faith in empirical research and a collective sense of discovery

**China, Russia, and Twenty-First Century Global Geopolitics** Paul J. Bolt,Sharyl N. Cross,2018-02-02 This book provides a comprehensive analysis of the Chinese Russian bilateral relationship grounded in a historical perspective and discusses the implications of the burgeoning strategic partnership between these two major powers for world order and global geopolitics The volume compares the national worldviews priorities and strategic visions for the Chinese and Russian leadership examining several aspects of the relationship in detail The energy trade is the most important component of economic ties although both sides desire to broaden trade and investments In the military realm Russia sells advanced arms to China and the two countries engage in regular joint exercises Diplomatically these two Eurasian powers take similar

approaches to conflicts in Ukraine and Syria and also cooperate on non traditional security issues including preventing coloured revolutions cyber management and terrorism These issue areas illustrate four themes Russia and China have common interests that cement their partnership including security protecting authoritarian institutions and re shaping aspects of the global order They are key players not only influencing regional issues but also international norms and institutions The Sino Russian partnership presents a potential counterbalance to the United States and democratic nations in shaping the contemporary and emerging geopolitical landscape Nevertheless the West is still an important partner for China and Russia Both seek better relations with the West but on the basis of mutual respect and equality Lastly Russia and China have frictions in their relationship and not all of their interests overlap The Sino Russian relationship has gained considerable momentum particularly since 2014 as Moscow turned to Beijing attempting to offset tensions with the West in the aftermath of Russia s annexation of Crimea and intervention in Ukraine However so far China and Russia describe their relationship as a comprehensive strategic partnership but they are not allies
