Falling Into Infinity:

Quest of the Starstone Catherine Lucile Moore, Henry Kuttner, 2011-11-04 A mysterious warrior woman approaches Northwest Smith with a tantalizing proposition Come with me to the green hills of earth in the distant past of 1500
excerpt The rivet studded oaken door crashed open splintering from the assault of pikebutts whose thunderous echoes still rolled around the walls of the tiny stone room revealed beyond the wreck of the shattered door Jirel the warrior maid of Joiry leaped in through the splintered ruins dashing the red hair from her eyes grinning with exertion gripping her two edged sword But in the ruin of the door she paused The mail clad men at her heels surged around her in the doorway like a wave of blue bright steel and then paused too staring For Franga the warlock was kneeling in his chapel and to see Franga on his knees was like watching the devil recite a paternoster But it was no holy altar before which the wizard bent The black stone of it bulked huge in this tiny bare room echoing still with the thunder of battle and in the split second between the door's fall and Jirel's crashing entry through its ruins Franga had crouched in a last desperate effort at at what His bony shoulders beneath their rich black robe heaved with frantic motion as he fingered the small jet bosses that girdled the altar's block A slab in the side of it fell open abruptly as the wizard realizing that his enemy was almost within sword's reach whirled and crouched like a feral thing Blazing light cold and unearthly streamed out from the gap in the altar So that's where you've hidden it said Jirel with a savage softness

The Lost Hunters Joseph Alexander Altsheler, 1920 *The Lost Hunters* is the second volume of the Great West Series of which *The Great Sioux Trail* was the first In this story young Will Clarke who has long been a captive among the Sioux and who has risen to high favor has become Sioux himself not only in manners and customs but in thought The world is clothed for him in

a new atmosphere and he believes with the Indians that good and evil spirits fill air earth and water in truth all things Hence his eye and mind in this story are the eye and mind of the Sioux It is well known that bear deer and wolf grow much larger in the great valleys of far Northwestern Americans than anywhere else in the world and it may be possible that still more gigantic specimens will yet be found in remote regions The struggle of primeval man with wild beasts carried on for ages is here reproduced in the advent of the Sioux warriors among them armed only with bow and arrow The names applied to animals and inanimate objects in this book are note the coinage of the author but are those used by the Sioux Foreword
