

The Road Through Chaos

I.

**There is one road, one only, to the Light:
A narrow way, but Freedom walks therein;
A straight, firm road through Chaos and old Night,
And all these wandering Jack-o-Lents of Sin.**

**It is the road of Law, where Pilate stays
To hear, at last, the answer to his cry;
And mighty sages, groping through their maze
Of eager questions, hear a child reply.**

**_Truth? What is Truth?_ Come, look upon my tables.
Begin at your beginnings once again.
Twice one is two! Though all the rest be fables,
Here's one poor glimpse of Truth to keep you sane.**

**For Truth, at first, is clean accord with fact,
Whether in line or thought, or word, or act.**

II.

**Then, by those first, those clean, precise, accords,
Build to the Lord your temples and your song;
The curves of beauty, music's wedded chords
Resolving into heaven all hate and wrong.**

**Let harmonies of colour marry and follow
And breaking waves in a rhythmic dance ensue;
And all your thought fly free as the wings of the swallow,
Whose arrowy curves obey their measure, too.**

**Then shall the marching stars and tides befriend you,
And your own heart, and the world's heart, pulse in rhyme;
Then shall the mob of the passions that would rend you
Crown you their Captain and march on in time.**

**So shall you repossess your struggling soul,
Conquer your world, and find the eternal goal.**

Alfred Noyes
