derby as they stumbled toward an understanding of the natural world an endeavor that continues to this day Despite this intense competition a few species including some surprisingly common songbirds hawks sandpipers and more managed to evade discovery for years Here renowned bird expert and artist Kenn Kaufman explores this period in history from a new angle by considering the birds these people discovered and especially the ones they missed Kaufman has created portraits of the birds that Audubon never saw attempting to paint them in that artist s own stunning style showing how our understanding of birds continues to gain clarity even as some mysteries persist from Audubon s time until ours *Birds of Mississippi* William H.
