The Complete Films of John Wayne Steve Zmijewsky, Boris Zmijewsky, Mark Ricci, 1983 The history of films by the legendary John Wayne

The Lost Films of John Wayne Carolyn McGivern, 2006 In a career of more than fifty years spanning the Golden Era from 1926 to 1976 Hollywood icon John Wayne created a treasure trove of movies Today scarcely an hour goes by without one of them appearing on television somewhere in the world With most of the Wayne films available to his fans today just a few of them remain unavailable in this era of remastered miracles Of all the movies he made beyond the 1939 *Stagecoach* age only two have been kept from the public *Island in the Sky* and *The High and the Mighty* Many reasons have been suggested for why the two films have been unavailable until the summer of 2005 from the thought that the original films were damaged and the copies were not good enough for additional distribution to the theory that they have been withheld for a future grand release Whatever the reasons may be *The Lost Films of John Wayne* honors his work in both films and serves as a loving portrayal of some of the lesser known images he left behind

John Wayne Emanuel Levy, 1998 John Wayne was the most popular and the most durable star in film history He was also a national legend a folk hero and a powerful symbol of the American Dream Levy evaluates Wayne's film oeuvre by comparing him with other major stars of his generation and demonstrates that of all American actors he came closest to the notion of actor as auteur

John Wayne Michael Munn, 2005-03-01 A rare behind the scenes look at John Wayne the legend hero and Hollywood icon of numerous epic Western films including an Academy

Award winning performance in True Grit No legend ever walked taller than The Duke Now author Michael Munn's startling new biography of John Wayne sets the record straight on why Wayne didn't serve in World War II on director John Ford's contribution to Wayne's career and the mega star's highs and lows three failed marriages and two desperate battles with cancer Munn also discloses publicly for the first time Soviet dictator Josef Stalin's plot to assassinate Wayne because of his outspoken potentially influential anti Communist views Drawing on time spent with Wayne on the set of Brannigan and almost 100 interviews with those who knew him Munn's rare behind the scenes look proves this absolute all time movie star was as much a hero in real life as he ever was on screen

John Wayne Richard D. McGhee,2016-09-30 After the death of Marion Morrison known as John Wayne in 1979 President Jimmy Carter said that Wayne was bigger than life In an age of few heroes he was the genuine article But he was more than a hero he was a symbol of many of the qualities that made America great The first section of this study concentrates on Wayne's style of work and sphere of action as an actor The man who works for a living and is concerned with his audience and the constraints of his immediate environment The second section examines the artist the man who lives in his art who disappears into his character as an archetype of human fears and desires Analyses of films that have made Wayne a hero are presented in the third section A comprehensive filmography and numerous photographs are included

John Wayne The Associated Press,2016-04-26 Throughout his career John Wayne was one of America's most popular and most prolific

movie stars the rugged two fisted hero of nearly 200 films and a symbol of American values vitality and determination liked and admired even by those who did not always agree with him John Wayne An American Original traces the Duke s personal and professional life from assistant prop man to the most popular and successful box office star in the history of film The Associated Press covers many aspects of the Hollywood icon s career and personal life including his extensive work with director John Ford the brawls he had with close friend Ward Bond his ventures as film producer and director the ups and downs of his three marriages his victory over lung cancer plus a host of fascinating behind the scenes moments captured on film and in the candid comments of John Wayne s friends and colleagues The book opens with an intimate foreword by John Wayne s longtime friend and fellow icon Jimmy Stewart and ends with a complete filmography Photographs are featured from the archives of The Associated Press John Wayne An American Original captures the unique spirit of the man and is a must have for any fan of the legendary Duke

John Wayne: American James S. Olson,Randy Roberts,1995-09-11 Based on over five years of interview and archival research John Wayne American explains the appeal of Wayne s abiding Americanness and how he became such a revered icon No American has been more identified with his country than John Wayne For millions of people from the heartland to the furthest corners of the earth he simply is America Wayne virtually defined the role of the cowboy and the soldier unswervingly playing the gruff man of decency the hero who would always come through when the chips were down On screen and off Wayne was larger than life For twenty five years he dominated at the box office His popularity both at home and abroad remains higher than any other celebrity of his time So why have critics and film historians refused to grant him the central importance he deserves Why has there never before been a serious biography The answers to these questions reveal much about both Wayne and America He was highly regarded in the 40s and 50s As the Cold War progressed however critics gradually turned away from him By the 60s and 70s Wayne s politics guaranteed that movies like The Green Berets would be panned despite consistent popular success Now after the death of both Wayne and communism it is high time for Randy Roberts and James Olson s reappraisal Born in a dyed in the wool Republican town in Iowa a football star and student leader and a scholarship boy at USC Wayne went to Hollywood because it was the truest meritocracy in America the one place where his lack of wealth and connections could not hurt him After spending the first decade of his career on Poverty Row he emerged as a star in Stagecoach But it was during World War II that Wayne and America emerged as superpowers Wayne came to politics reluctantly joining the mainstream of America in its confrontation with communism and maintaining his opposition ever since At heart however Wayne was a nonideological conservative He loved his freedom his friends his women and his booze He believed in simple justice and common decency and he will always be beloved as a result Ultimately we cannot understand America itself without understanding John Wayne
