On the Road with Your Digital Camera Michael A. Freeman,Professor of English Law Michael Freeman,2004-12 On the Road with Your Digital Camera outlines the facts that a beginning digital photographer needs to know in order to be successful while traveling Rather than merely focusing on digital photography technique this book offers in depth coverage

of topics such as planning and preparing for photography trips researching locations camera choice and maneuvering through security and customs and issues the traveling digital photographer may encounter on the trip weather obstructions photo etiquette legal restrictions and releases Current travel photography books cover film photography and digital photography only briefly if at all In keeping with technological changes this book focuses strictly on digital travel photography and addresses topics unique to this technology It also focuses less on the art of digital travel photography and more on the practicalities of traveling with and setting up equipment
