The Methamphetamine Industry in America Henry H Brownstein,Timothy M. Mulcahy,Johannes Huessy,2014-07-31 Galax a small Virginia town at the foot of the Blue Ridge Mountains was one of the first places that Henry H Brownstein Timothy M Mulcahy and Johannes Huessy visited for their study of the social dynamics of methamphetamine markets and what they found changed everything They had begun by thinking of methamphetamine markets as primarily small scale mom and pop businesses operated by individual cooks who served local users generally stymied by ever more strenuous laws But what they found was a thriving and complex transnational industry And this reality was repeated in towns and cities across America where the methamphetamine market was creating jobs and serving as a focus for daily lives and social experience The Methamphetamine Industry in America describes the reality that the methamphetamine industry is a social phenomenon connecting local national and international communities and markets The book details the results of a groundbreaking three stage study part of a joint initiative of the National Institute on Drug Abuse and the National Institute of Justice in which police agencies across the United States were surveyed and their responses used to identify likely areas of study The authors then visited these areas to observe and interview local participants from users and dealers to law enforcement officers and clinical treatment workers Through the eyes and words of these participants the book tells the story of the evolution of methamphetamine markets in the United States over the past several years given changes in public policies and practices and changing public opinion about methamphetamine The authors look closely at how the markets are part of a larger

industry how they are socially organized and how they operate They also consider the relationships among the people involved and those around them and the national regional and local culture of the markets Their work demonstrates the importance of understanding the business of methamphetamine and by extension other drugs in society through a lens that focuses on social behavior social relationships and the cultural elements that shape the organization and operation of this illicit but effective industry Meth ,2005 The Methamphetamine Crisis Herbert C. Covey,2007 Offers a comprehensive overview of the methamphetamine crisis in America discussing the drug s makeup devastating impact on users health and addictive qualities as well as what communities and the government are doing to stop its distribution and manufacture

Mad on Meth Benedict Collins,2023-11-01 Why cook at home when you can order in Only 50 years ago pure methamphetamine was legally prescribed in New Zealand to anyone looking for a boost But it wasn t long before P was rebranded as the most dangerous and destructive drug in the world and New Zealanders cemented as among its biggest users With dry wit and biting insight journalist Benedict Collins takes us inside the evolution of meth in New Zealand From ram raids for pseudoephedrine to our own cooks and gangs breaking bad a visit to the Golden Triangle of meth production in South East Asia multimillion dollar busts and a moral panic that seeded a meth testing scandal All set the stage for unthinkable crimes and drug fuelled mania but also serviced a hidden world of white collar users and cemented New Zealand s reputation as among the biggest meth consumers in the world How did tough on crime become dumb on drugs And what does a solution to Pure addiction look like A terrific gripping read that challenges us to think differently about one of New Zealand s biggest problems Jarrod Gilbert bestselling author of Patched The History of Gangs in New Zealand Engrossing and written with flair Benedict Collins tells the story of how demonising drugs and drug users causes more harm than good The upside is there is a better way Professor Michael Baker co author of Minimising the Harms from Methamphetamine NZ Drug Foundation Helen Clark Foundation *California.
