support our free internet library of downloadable eBooks Visit us online at www.1stWorldLibrary.ORG Science is a systematic presentation of truth Theology is the most important of all sciences It is the science that treats of God and of man in his relation to God It is a systematic presentation of revealed truth As the basis of Astronomy is the universe of worlds revealed by the telescope and as the basis of Geology is the crust of the earth so the basis of Theology is the Divine revelation found in the Holy Scriptures The Theology of Entire Sanctification therefore is a systematic presentation of the doctrine of entire sanctification as derived from the written word of God Such a presentation we hope with the help of the Holy Spirit which we here and now earnestly invoke to attempt to give in this book May God bless the endeavor and overrule our human weakness to the glory of His Name Amen It is a lamentable fact that there is a large class of Christians to whom the subject of entire sanctification is a matter of indifference They hope with or without sufficient reason that their sins are forgiven They propose to live moral and useful lives and trust again with or without sufficient reason that they will go to heaven when they die

Becoming Human Again Timothy Crutcher,2020-01-29 Entire Sanctification may be the most important least understood doctrine of holiness tradition Once it was the central concern of much of that tradition s preaching Churches would hold holiness revivals and people would attend extra services to learn more about it Now there are churches where it is never mentioned and many who attend historic holiness denominations would be hard pressed to explain what it means However if the gospel of Jesus Christ is more than a free ticket to heaven if Christ expects his disciples to live as he lived and not merely because he lived then sanctification needs to become once again a central concern of the church Beginning from the ground up this book explores how the doctrine of holiness and entire sanctification is deeply woven into the fabric of Scripture Once we understand the nature of God and the nature of humanity the problem of sin and the work of salvation we discover that sanctification is the culmination of the great story of salvation and the hope of everyone who wants to follow Jesus and be a part of the Kingdom of God that Christ proclaimed This is a book for any disciple of Christ who wants to understand why holiness is not simply an add on to the gospel but rather God s ultimate plan for humanity allowing us to truly become human again living the way God had always intended us to live

Holiness Matt Ayars,Christopher T. Bounds,Caleb T.
