Chaney, 2019-08-27 Robertson and Chaney examine how the early antecedents of police brutality like plantation overseers the lynching of African American males early race riots the Rodney King incident and the Los Angeles Rampart Scandal have directly impacted the current relationship between communities of color and police Using a phenomenological framework they analyze how African American college students perceive police to determine how race gender and education create different realities among a demographic Based on their qualitative and quantitative findings Robertson and Chaney offer recommended policies and strategies for police and communities to improve relationships and perceptions between the two **Challenges to US and Mexican Police and Tourism Stability** Peter E Tarlow, 2023-04-21 Challenges to US and Mexican Police and Tourism Stability examines the impacts that historical political and social campaigns targeting police practices have had on law enforcement in general and on the tourism industry in particular specifically focusing on recent developments in both the USA and Mexico *Exploring Contemporary Police Challenges* Sanja Kutnjak Ivković, Jon Maskály, Christopher M. Donner, Irena Cajner Mraović, Dilip K. Das, 2022-12-30 Policing in the 21st century is becoming increasingly complicated as economic political social and legal circumstances continue to compel police organizations to evolve To illustrate the complexity of policing in the 21st century and cover themes common to police organizations around the world Exploring Contemporary Police Challenges A Global Perspective is organized into six sections which cover the key policing challenges across the globe Based on US President Barack Obama s 2015 Task Force s organization into six broad pillars this volume contains contributions from policing experts focusing on Building Trust and Legitimacy Providing Policy and Oversight Utilizing Technology and Social Media Developing Community Policing and Crime Reduction Providing Police Training and Education and Facilitating Officer Wellness and Safety Scholarly analyses and discussions of these issues in 16 countries on 6 continents offer a global perspective on policing in the 21st century This volume simultaneously enhances the scope of policing scholarship and demonstrates that no country can sidestep the need to adjust to these rapid and profound changes Foundations of Criminal Justice Stephen S. Owen, 2019-07-15 What is law

What is deviance What is justice How is justice achieved through law punishment and criminal justice agencies Now in its third edition Foundations of Criminal Justice uses a unique approach that provides students with the framework and the intellectual tools that they will need in order to critically analyze and evaluate the nature sources scope purposes and practical limitations of the criminal justice system This is the only introductory survey text that moves beyond a description of the criminal justice system helping students understand the role of criminal justice in their lives as criminal justice practitioners and as active citizens

The Case for Cops Shane T. Stone Ph.D.,2025-05-06 Are the police friends or foes The public s answer to that question is crucial As a society how we perceive the men and women of law enforcement will dictate whether we champion or challenge them as they strive to maintain order and keep criminals at bay in our communities In *The Case for Cops Building Community Support for the Police* Dr Shane Stone combines legal and moral reasoning with practical insight to argue for the indispensability of police in modern society He reinforces this case with engaging examples real criminal cases and firsthand accounts from his career in law enforcement At a time when critics want to defund or reimagine the police Stone offers a reasoned and persuasive argument that highlights not only the immense danger and difficulties of the job but also the impressive dedication of those who serve This book challenges misconceptions about countless police attitudes procedures and tactics and sheds brand new light on cops To what end I realized that many even law abiding citizens have lost confidence in the police and need new reasons to get behind them once again This book offers all the proof anyone will ever need to gain a fresh appreciation for police officers and the life threatening work they willingly do so that the rest of us can sleep at night Shane Stone *History & Campaigns of the Rifle Brigade* William Willoughby Cole Verner,1912
