

# Body Part

by Jason Tomlinson

All the parts of my body got the perfect part  
cast as the good guys  
it was perfect from the start  
from head to toe I was created for good things  
excellence and performance  
all the best fit for kings  
but sometimes I would forget  
the role for which I was cast  
and reminders would be sent so I could last  
and make it to the end of the story  
giving my Director the full measure of glory  
my body part was never meant to malign  
nor was it meant to sit around  
and simply be benign  
the part every part got from skin to nerve  
was hero and protector I got the part to serve
