Firefly Gadroon:

Firefly Gadroon Jonathan Gash,1982-01-01 *Firefly Gadroon* Jonathan Gash,1985 **Firefly Gadroon** Jonathan Gash,1984-01-01 Firefly Gadroon Jonathan Grant,1982 **Pearlhanger** Jonathan Gash,2014-04-03 I don't much like working for clients. It means that I have to follow someone else's instructions and I've never been too good at that. When those instructions came from a spirit guide at a seance I just had to laugh. Well, you would, wouldn't you? The rather attractive young woman whose husband the spook had said I should help her to find took me on a quest that turned into a trail of lucrative antiques deals spoiled only when the police came plodding in and I found myself up to my neck in forgeries and murders. Situation normal, really. Then the killer turned his attentions to me just as the spirit had said he would and I certainly wasn't laughing anymore.

Firefly Gadroon Counter Display Jonathan Gash,1985-08-06 *Faces in the Pool* Jonathan Gash,2009-12-08 When Lovejoy is wrongfully imprisoned again he's offered a way out with a catch. In exchange for his freedom he agrees to a marriage of convenience to divorced millionairess Laura Moon as a way to help her hunt down her former husband. Sensing murderous vengeance in the air, Lovejoy intends to abscond when he can but instead goes along with it at the insistence of his apprentice Lydia and his teenage son Mortimer. Lovejoy is evasive but the deaths of his old forger friend Smethie and transvestite Paltry compel him to concede.

Shut Up He Explained John Metcalf,2007-09-15 John Metcalf's *Shut Up He Explained* defies expectations and strict definition. Part memoir, part travelogue, part criticism, wholly Metcalf, it is thoughtful, engaged, contentious, and often very funny. It offers a full dose of Metcalfian wisdom and wit and provides ample evidence that neither age nor indifference nor attack have withered him; he remains as sharp, critical, constructive, and insightful as ever. Indeed, this may just be his most important and engaged book. Certainly it will be among his most controversial. What his critics will refuse to see, of course, is that it is also among his most positive: that it is a celebration of the best literature Canada has to offer, the birth of which Metcalf himself both witnesses and actively encouraged. *Shut Up He Explained* is magisterial, a virtuoso performance melding several seemingly different strands into one coherent narrative which should delight and entertain as it serves to argue, elucidate, and celebrate.

The Sleepers of Erin Jonathan Gash,2013-11-07 You know things are going badly when you've been stabbed, hospitalized, and arrested for a crime that not only did you not commit, you actively attempted to prevent. Top that off with a pending appearance in court before a judge whose wife you know rather better than he does, and you start to think that visiting an ancient Irish tomb with a gang of ruthless villains sounds like a perfectly reasonable thing to do. All you have to do is to make sure that you don't end up joining the ancient Irish tomb's ancient Irish inhabitants. Nothing's ever that simple, though, is it? Not in my world anyway. Women have a tendency to confuse matters, and when you're dealing with a deranged scarecrow poet and an eastern European hit man whom you know for a fact has never been further east than Billericay in his entire life, things are confusing enough, don't you think?
