Fifth Of July:

Fifth of July Lanford Wilson,1979-02-01 A group of friends who came of age in the sixties have a reunion in an old Missouri farmhouse where their reminiscences reveal shattered hopes buried resentments lost dreams and the unhealed trauma of the Vietnam War

Fifth of July Lanford Wilson,1982 Deals with a group of former student activists and the changes that have been wrought in their lives and attitudes in the years since leaving college *Oration delivered on the Fifth of July 1847 before the Native Americans of Cincinnati* Charles Brandon BOYNTON,1847 What then are American principles what is their character and what their value In general terms then we may say that genuine American principles are identical with those of Protestant Christianity and when these principles are embodied in action they utterly refuse to assume any form except that of a Protestant Christian state pg 8 9

5th of July Lanford Wilson,1979 *The 5th of July* R.K. Lindsey Jr.,2014-02 Robert K Lindsey is a keiki o ka ina a child of the land born in Hilo on the biggest Hawaiian island and raised in Waimea at the foothills of the Kohala mountains Waimea was a quiet and quaint paniolo cattle town when he was growing up there and Parker Ranch was the foundation of the community And though the place has changed across time its beauty still abounds Lindsey says he suffers from island fever and I m glad I do Mark Twain described Hawai i as the loveliest fleet of islands that lies anchored in any ocean Twain is one reason I ve never ventured far from home He convinced me early on that all I need is right here I m stuck to this rock called Hawai i forever In his work life Lindsey has strived to serve the interests of his l hui people to the best of his abilities first as a social worker with the Family Court of the Third Circuit then as a park ranger with the National Park Service at Pu ukohol Heiau National Historic Site He also served as the land assets director Hawai i Island with Kamehameha Schools 1994 2004 and is currently a trustee with the Office of Hawaiian Affairs 2005 2013 He is also a Hawaiian Home Lands lessee 1986 2085 Lindsey believes that as Hawaiian Americans living in a globalized world for the sake of Mother Earth and our children the pono right thing for us to do is to let bygones be bygones and to forgive but not forget the sins of yesteryears that were committed against us We must live joyously in the moment and look with hope and optimism to the future It s said the one constant in life is change One of the lesser fictionalized characters in *The 5th of July* is Abigail Hathaway McMoore Her takeaway lesson for us is this for the sake of our children and the children of the world we should not be bitter toward change but embrace it be its advocate not its victim its champion not tormentor its friend not adversary As a contemporary Hawaiian I subscribe to that philosophy *The 5th of July* is Lindsey s second book His first title *Latitude 20 04 N Longitude 155 71 W* was published in 2013
