Getting Over Jack Wagner:

Getting Over Jack Wagner Elise Juska, 2003-03-18 Where are all the real rock stars Eliza is looking to date a rock star though she uses the term loosely None of her boyfriends have been famous Most have unbearable habits and overbearing mothers A few only played show tunes Still they're intense Pierced Tragically stubbled With a predilection for dressing in black Eliza finds them deep in theory anyway But in reality none comes close to the object of her original rock star crush actor crooner Jack Wagner When her latest catch turns out to be another mama's boy Eliza begins to realize love is nothing like her favorite 80s song Is she ready to face the music Just as Eliza is planning her next move she's dealt an emotional triple whammy involving her sister her best friend and a horrific blind date That's when she realizes that only by taking a good look at her past and her tape collection will she ever be able to hear a different kind of song and live a different kind of life

One for Sorrow, Two for Joy Elise Juska, 2007-06-05 For two quietly unhappy years linguist Claire Gallagher has been living deep in the New Hampshire woods enduring a polite but strained marriage to a highly respected scientist Once a determined overachiever and academic star in her own right she now spends her days avoiding her stalled dissertation and creating EZ crossword puzzles But for all Claire's knowledge of words and their meanings the meaning in her own life eludes her One bleak morning in winter she announces that she's leaving By nightfall at the urging of her younger sister Noelle Claire finds herself heading to the last place she thought she would ever go Ireland the birthplace of her abrasive chronically ill mother and the country Noelle a college dropout now calls home In a small town on the Irish coast Claire's struggle to move ahead with her life takes her deep into the puzzles of her past in a world in which there are no simple answers and the only questions that matter are those of the heart
