Heavy Work Activity Cards

Controlled Crash

Set up a large crash mat below a gym horse or suitable jumping surface. Encourage children to jump and crash onto the mat.

Helping Out

Create a list of jobs around the classroom such as moving furniture back into place, emptying rubbish bins, sorting out library books, wiping down the cubby holes and so forth. Assign children for a couple of works and rotate the tasks.

Sports Gear Support

Invest in a decent trolley or transfer that can be loaded with sports gear. Assign children who need heavy work to the task of loading and pulling the trolley.

Hanging Out

Provide a timer and challenge children to hang by their arms from monkey bars and time themselves. See if they can extend the time they can hang for.

Circuits

Co-create a circuit routine with each learner. It may be something like

- Run around the block x 3

- Go up the ladder, through the tunnel and down the pole on the junior play area x 2

- Bounce a basketball and throw the ball through the hoop x 2 (continue until you have landed both hoops)

- Hang on the third bar of the senior playground for a minute

- Do 4 burpees
